Parking Meters Slated For D C

COM. CENTER BIDS MUCH HIGHER THAN EXPECTED

Building Construction May Be Delayed

Daly City's six-year dream of a Memorial Community Center received a rude setback Monday evening when the lowest of five bids on construction of the building was approximately 50 per cent higher than the estimated $277,000 for construction.

Ira H. Larson submitted the low bid of $412,202. There were four other bids, three of which were no more than 2,000 apart.

The council has referred the bids to the architect for study and he will report to the council at next Monday's meeting.

There were two theories today why the original estimate of the cost of the building was so much lower than Monday evening's bids.

R. A. Klassen, city engineer, said that present prices of materials and cost of labor do not warrant the high bids. He says he believes the contractors have "padded" their bids, fearing that within the next few months the cost of construction will continue to rise.

In a word, Klassen believes the contractors' bids high, to cover themselves if prices continue to rise.

On the other hand, Mario Ciampi, who made the $277,000 estimate four months ago, says he believes prices have gone up to the point where the bidders probably were justified in making their high

HOW IT LOOKS FROM A CORNER

By BILL KATZ

Last week we asked if there were any questions or objections to the September 29 bond issue to build 64 new classrooms in Daly City.

Evidently everyone is satisfied it is a good thing, as we got but one reply . . . although we're sure the answer wasn't prompted by this column.

A freckled-faced 10-year-old boy casually asked whether or not "I'll have to go to school all day long" next semester?

The answer was "no," as some 15 classes in Jefferson, Crocker and Garden Village schools will be on double sessions in the fall.

He replied happily, "That's good, I don't like going to school."

From this we can surmise that he is about the only one in the community (except perhaps his schoolmates) who is opposed to the bond issue. We hope the voters will prove this conclusion valid when they go to the polls September 29.

Speaking of kids, the Boys Club recently was given a phonograph, but no records. However. this does-

(Continued on Page 2)

Talent Show Auditions Now Being Held Here

Talented children and teenagers were offered an opportunity to win a $100 U. S. Savings Bond and take part in the San Mateo County Fair September 13.

As Daly City's day at the fair, this community will enter one talented youngster in a county-wide amateur show. The entrant is to be chosen during the first weeks of September.

All those interested in trying for the spot at the fair are asked to sign up now for the preliminary tryouts September 6 at Jefferson High school. Registration may be made at Room 23, City Hall, or in the lobby of the Daly City Theatre. Deadline for registering is 5 p. m. September 5.

Any individual, 18 years old or under, may enter the contest. This show is for single participation. No duets, quartets, or acts requiring more than one person will be accepted.

Outside of the age limit, there are no regulations. You can do anything from imitations to tap dancing.

After the tryouts at Jefferson High school, six contestants will be chosen to enter the semi finals to be held later at the Daly City Theatre. The winner of the semi-finals will be given a prize and an opportunity to take part in the fair.

Watch the Daly City Record next week for additional details. Meanwhile, be sure and register for the talent show.

This program is sponsored by the Daly City Recreation Department and the Lions Club.

Mrs. Fred Bertetta Accepts CC Job

Mrs. Fred Bertetta, wife of one of Daly City's councilmen, today accepted one of the seven district chairmanships for the coming big "C" drive starting and finishing in one hour on Sunday, October 1.

Mrs. Bertetta will be chairman of District F which includes W. Cavour street, W. Moltke, School, Market, Railroad avenue, Station avenue, Werner avenue and Mateo avenue, with part of Mission street as a boundary.

Those interested in helping may contact Mrs. Bertetta at PLaza 5-4356. No volunteer will have more than 10 houses to solicit. The drive will last for one hour only. Here is a chance for even the busiest of housewives to participate in a worthwhile community effort.

Please call and inquire. Remember that funds collected in San Mateo county remain in the county—and help your community chest to help yourselves.

DALY CITY LIONS WILL ROAR AT BARBECUE

Annual Affair Sept. 6 At Skippers Park

Lions will roar at Skippers Park, Searsville, September 6 as they celebrate their annual barbecue.

Before calling out the zoo keeper, it is only fair to explain that these Lions are the Daly City variety who during the remainder of the year assist their other two-legged fellows to better living.

And the barbecue won't be anything more startling than New York steaks, spare ribs, corn-on-the-cob, beans, garlic bread and coffee — which on second thought is a darn good meal considering present prices of said items.

Responsible for the chow will be the old masters of masterful cooking, Ed Weisenburger, Joe Belli and Elton McGraw.

Head Lion Gil Shaughnessy is in charge of the overall program.

After the feed, the Lions have arranged a special program of dancing and entertainment to help them digest the fine food.

Lions who have attended previous barbecues are looking forward to this event, and advise fellow Lions to arrange their parties of friends now.

Veteran Fireman Dies Friday

Funeral services were conducted Monday for Rudolph Anderson, 52, 203 Irvington, veteran Daly City fireman.

Anderson suffered a heart attack last Friday morning while he was working as a warehouseman in the Celinger and Fortier warehouse in San Francisco. He was rushed to the Mission emergency hospital at 11:15, but was dead on arrival.

A native of San Francisco, Anderson spent most of his life in Daly City. He joined the fire department in the 1920's, and watched it grow from a skeleton force of one company to the fine trained group it is today. During this time he was a lieutenant and captain with the department, and in later years was associated with Company No. 4.

In addition to being a member of the department, he was a member of the Veteran Firemen's Association and the Warehousemen's Union No. 860, AFL.

He is survived by his widow, Mrs. Reba Anderson; two daughters, Mrs. Marjorie Damante and Mrs. Irene Rainey; five brothers, Albert, Van, Oscar, Lawrence and Philip.

Services were held Monday afternoon by the Veteran Firemen's Association at the W. C. Lasswell chapel.

COURT ST. MARYS CHARTER MEMBERS

At a special meeting of Court St. Marys No. 1155 CDA last Thursday evening the above charter members were honored by a special ceremony. These are 14 of the original 35 members who organized the chapter. They are: left to right seated, Mesdames Ferdinand Michelson, Fred J. Wettstein, John F. Fields, Charlotte Ford; standing, left to right, George F. Rode, William Core, Anthony Parmisano, Frank J. Davis, John Johnson, Richard J. Ennis.

Daly City Pitcher To Wed Bakersfield Girl On Baseball Field This Sunday

Already "wed" to baseball, Don Mossi, former Jefferson High athlete, will marry Eunice Bedford this Sunday in what promises to be one of the most unique weddings in baseball history.

The ceremony is to take place in San Lynn ball park, Bakersfield, at 7:30 p.m. Sunday. But it won't be a private affair. Thousands of fans, who have watched Mossi pitch for the Bakersfield Indians, will see him claim his bride on the pitching mound.

And while a wedding is usually more than enough for the average man, Mossi will display his iron nerves by going on to pitch a game against the San Jose nine after the ceremony.

Chances of Mossi winning that game seem pretty slim (at least to married men).

Also Walter Cluff, pitcher for the San Jose Red Sox, promises to give Mossi a mighty bad time. It may be just a coincidence, but Cluff is fondly called "The Deacon" by his teammates. That Mossi can survive two "deacons" in one evening is doubtful.

And for all of those who can not attend the "double ceremony," Jack McDonald of San Jose radio station KXRX will broadcast same at 7:30 Sunday evening.

A graduate of Jefferson High school in 1949, Mossi played star baseball and football for Jeff during his four years in school. He is one of the most outstanding athletes the school has ever turned out.

Previous to his high school days, Mossi played ball with several of Joe Sarto's teams.

Mossi has been pitching for the Indians since he graduated in 1949.

The bride-to-be is a Bakersfield girl, and a graduate of the Bakersfield schools.

Where the couple will make their home has not yet been determined, although friends say it probably won't be too far from a baseball diamond.

County-City Defense Plan Now Under Study

Coordination of plans for a unified defense council in Daly City were going ahead according to plan today, Orrin Wendling, city administrative officer, said.

The questionnaires sent to interested members of the council have been returned, and Wendling sees an early meeting of officials to set up the council according to an outline ordinance passed by the city two years ago.

"Not only are we calling on city employes and officials, but we also have the cooperation of the veteran groups and other fraternal organizations," Wendling noted today.

Each of the members of the council will be given identification cards and instructions as to what to do in case of emergency. No special training for the men is expected at this time.

Meanwhile, this week a plan aimed at dove-tailing San Mateo county's civilian defense with city, state and federal war programs was begun by the board of supervisors.

Board Chairman Alvin S. Hatch has appointed a three-man committee headed by Supervisor Edward McDonald to investigate a report received from Governor Warren outlining state recommendations for a coordinated local-county-state setup.

Also, Sheriff James J. McGrath, co-ordinator of law enforcement agencies for civilian defense in San Mateo county, today announced the appointment of Deputy Sheriff Frank B. Marlowe as

(Continued on Page 2)

SCHOOL OPENS EARLY NEXT MONTH

Close to 4,000 children will return to Daly City schools within the next two weeks.

All Jefferson elementary schools open September 11. New elementary pupils are to register at their erspective schools Friday morning, September 8.

Jefferson High school also opens September 11, with the registration dates for new students September 6 and 7.

Our Lady of Perpetual Help school opens one week earlier, September 5. As the school is filled to capacity, no new students are being accepted.

See the Daly City Record next week for a complete story on the opening of schools.

Recreation Fete Set September 1

What promises to be an annual event . . . the Recreation Jamboree, will be held at Marchbanks Park Friday, September 1.

This is primarily a children's program, but adults are always welcome to attend.

The boys' program will start at noon with a picnic lunch. A fire will be available to roast hot dogs, or cheese sandwiches. Also available will be soft drinks and watermelons at a nominal cost.

After the picnic there will be a program of folk dancing and various games, including the softball team from Lincoln playground.

ADM. OFFICER CALLS FOR 300-350 METERS FOR BUSINESS AREA

Lucca Market Celebrates 19 Years In Daly City -- Offers Many Bargains

Bargains galore will be offered this week end by Lucca Market, 7370 Mission, as Pasquali and Tom Stanghellini mark their nineteenth year of operation in Daly City.

Opening a small store in August 1931, the elder Stanghellini offered local residents the service and goods they so badly needed. Meeting with deserved success, Stanghellini enlarged his store two years later.

This was the first of five renovations that, but for the war years, have been a constant practice of the Lucca market.

The last big remodeling job was exactly one year ago when completely new equipment and fixtures were put in the store.

Thus, this three-day celebration (Thursday, Friday and Saturday) marks two anniversaries . . . the opening 19 years ago, and the complete remodeling one year ago.

"We are holding this giant sale to thank the people of this area for the faith they have shown in us over the past years," Tom said, speaking for himself and his father.

"We will continue the same fine service we have given the public over the past years, and hope they will continue to support our efforts to bring them the very best in food products."

For a complete list of the many bargains offered by Lucca Market this week see their full page ad in the second section of the paper.

Korean Consul Answers Questions

Last Wednesday the Korean consul, the Hon. Young Han Choo, spoke at an open meeting in the Broadmoor Community Center on the Korean situation.

Mr. Choo was very obliging in answering all questions that were asked, after which he gave a brief history of his country.

Some of the questions asked were:

Why did the South Korean army retreat so rapidly?

Because the South Korean army was only one year old at the time of the invasion and they had no heavy equipment, such as tanks, mortars, and heavy guns. The army was trained by the Americans, and was very poorly equipped, in that they had only enough ammunition to last a week or two at the most.

Do you think that the United Nations Army will go beyond the thirty-eighth if and when the fighting goes that far?

That is a question that I think Mr. Truman decided when he sent the United States army into Korea.

Do you think that there are any Koreans fighting for the North Koreans?

No. The population of North Korea used to be 12 million and just before the war started it was down

(Continued on Page 2)

Fourth Annual Craft, Hobby Show Wednesday

Everyone, especially parents, are invited to attend the fourth annual Craft and Hobby Exhibit at Jefferson High school cafeteria Wednesday, August 30.

The exhibit will be held from 7 to 8 p.m. followed by a stage variety show in the auditorium at 8:10 p.m.

Sponsored by the Daly City Recreation department, the event offers parents the opportunity to partcipate in a program with their children.

About 30 to 40 boys and girls will be present at the craft exhibit demonstrating how to make various interesting items out of leather, plastics, felt, and other materials.

A model airplane exhibit and demonstration is added to this year's program.

James Kraywinkel and Mrs. Maurine Augman are in charge of the exhibit, which will include items made by the children in the craft centers over the summer.

The stage show will feature Mary Falbo's folk dancing groups and Mrs. Grayman's dramatic and rhythmic classes, plus other selected features.

Citizens Support School Bond Issue

An ever increasing number of leading citizens this week have given their support to the September 29 school bond election.

James Snell, school superintendent, says he has met with enthusiasm from all quarters and is certain the people will support the efforts of the district to build 64 new classrooms.

He also noted that anyone wishing to assist the program to see the bond issue passes should contact him by calling PLaza 5-3341.

The dire necessity of the bond issue was pressed home today with the announcement that 15 of 52 classrooms will be on double sessions this fall.

"And this is only the beginning. At our present rate of growth all classrooms will be on swing shift education, unless the bond issue passes," Snell noted.

Citizens who this week gave their support to the bond issue include: A. J. Gaggero, honorary chairman; Mrs. Marjorie Hopper, secretary; Frank Blum, city attorney; Michael Callan, school board trustee; Joe Belli, Grant Williams, Joe Lewkowitz, Walter Rector, Shannon Hardware, Frank

(Continued on Page 2)

300-350 PARKING METERS PLANNED FOR DALY CITY

Installation Expected In Near Future

Approximately 300 to 350 parking meters will be installed in the business district of Daly City in the near future.

Monday night Orrin Wendling, city administrative officer, made his report to the city council on the need of meters in Daly City. The report was submitted to the city street committee, which in turn will decide on what meter company to award the job, and will reveal their decision at the regular meeting of the city council Monday evening, August 28.

However, before the meters can be installed an ordinance must be passed permitting such action by the city council. It is expected that at that time there may be some protest by merchants who killed a similar measure one year ago.

The meters, of the one-hour-and-10-minute time type, will be placed on both sides of Mission on "top of the hill," and up at least one block on the major joining streets. The meters will go down as far as Westlake avenue, then be discontinued, and placed again on Mission from approximately School to the southern boundaries of Daly City.

The meters will pay for themselves, i.e. the company installing the machines will take out half the receipts each month until the total cost of the meters is met. The average meter runs from $45 to $65.

After the meters have been paid for (it will take approximately two years) they will afford a great source of revenue for the city, Wendling noted. A conservative estimate is that the meters will bring in about $21,000 a year.

Red Cross Plans First Aid Classes

In view of the present world situation, plans are under way this week to reopen First Aid classes in San Mateo county.

William H. Taylor, chairman of the San Mateo Red Cross chapter, said today:

"In answer to many questions about First Aid classes, I want the people of our Chapter area to know that plans are under way to start a number of these classes, in cooperation with the policy of National Red Cross, to train a large percentage of the population all over the country, in the rudiments of First Aid.

Our Disaster Preparedness organization is also busy with plans to co-ordinate its activities with those of local, county and state governments, should an emergency arise. As soon as a directive is received from the National Resources Security Board, about Sep-

(Continued on Page 2)

What Do You Do With A Raccoon? If You Know The Answer, He's Yours

"Twas a dark Thursday night and all through the street not a creature was stirring except Floyd Webb, 48 Alexander, and a two-month-old raccoon.

The two met at the corner of Dolores and Twenty-eighth about midnight. Webb blinked, remembered he hadn't had a drink blinked again, hopped out of his car and chased the raccoon.

"Why? . . . Got me," Webb explained today. "Just had a sudden urge to get that raccoon."

Webb, who when he isn't chasing raccoons is in charge of an insurance company staff, soon cornered the shaggy animal in a tree. In a matter of snarls and huffs and puffs, Webb grabbed the little bundle of fur by the back of its neck, pulled him down the tree and deposited him in the trunk of his car.

Once home, Webb put his catch on the backporch, and dropped exhausted into bed.

The next morning Mrs. Webb innocently opened the backporch door to find a hundred black footprints everywhere but on the ceiling They were straight up each of the walls and over all the shelves. In one corner of the porch the raccoon was blissfuliy snoring.

Not sure she was quite awake, Mrs. Webb rubbed her eyes . . . but the raccoon didn't go away, nor did his quaint, pungent odor.

"RO is even stronger than BO," Mrs. Webb said today.

Following an explanation by her husband, Mrs. Webb agreed to keep the little beast around the house for a few days.

It wasn't long, though, before the novelty gave way to the suspicion that a raccoon makes a nice coat or stew, but is far from being the ideal house pet.

"He's too blooming dirty," Mrs. Webb noted. "My husband tried to give him a bath, but it didn't do too much good."

Aware that they would have to give up the raccoon, Mrs. Webb called the zoo. Yes, they'd be glad to have him, but not for another six months. They were remodeling now, and there was no place in their plans for a raccoon.

Next, Mrs. Webb turned to her cook book. But even this was in vain. Raccoon, say the southern cooks, is nothing but bones until he's at least a year old.

Meanwhile, the rat-like-beasty was playing havoc on the Webb's backporch, contentedly pulling down every box and package within reach of his fast paws.

The Webbs tried to turn the raccoon back to nature. This was no good . . . Mr. Raccoon had found a home, and he wasn't moving.

Consequently, today the Webbs have a problem.

Do you want to solve that problem?

Good, just call Mrs. Webb at DE 3-0918 and she'll present you with a fine, well-trained specimen of a raccoon. The Webbs will give him away, and for absolutely nothing.

Oh yes, Webb is now driving straight home from work. No more raccoon hunting in San Francisco for him.

D C Scare Buying This Week Gives Way To Common Sense

Daly City businessmen reported this week that war scare buying—which in one week pushed some sales up as high as 75 per cent—has about disappeared.

Grocery store managers say that the fear of scarcity has subsided and most sales are back to the normal for this time of year. However, for some reason, sugar sales still remain high.

"Although I've assured my customers there is plenty of sugar, many of them remember the World War II days, and insist on storing enough for the next five years," a merchant explained.

The sale of household utilities, such as refrigerators, stoves, radios and so forth, is still going strong, although not as high as during the week ending July 22 when sales were up almost 50 per cent.

New automobiles are still available in Daly City, but the trade-in on old cars has fallen off to almost nothing during the past month.

Meanwhile, the Federal Reserve Bank reported this week that department store sales in this area were only 11 per cent ahead of the same period in 1949. The previous week sales were up 40 per cent.

TESTING TIME

Within the next few weeks we should be pretty well able to determine whether the American people can meet the current crisis with the poise of adults or will conduct themselves like children. Thus far, too many individuals have acted like irresponsible youngsters. They've bought far beyond their reasonable needs. Of course, they want to get theirs "before the hoarders get everything."

In the meantime prices are rising, pushed up by the senseless buying spree. Yet, we have a terrific surplus of food in this country and our factories are turning out goods in record quantities. Scare buying then, is the height of stupidity as well as selfishness. If the money poured into unnecessary purchases were put in the bank instead, it would help prevent a rise in prices and thus maintain the purchasing power of the dollar.

It's up to us. We can either have higher prices and then controls and then rationing, or we can keep things on fairly even keel by keeping our heads. Which shall it be?

WARMING UP

The world is getting hotter in more ways than one. Scientists tell us that glaciers in Ireland, Greenland, Norway and other places on the Northern Hemisphere are shrinking with increasing rapidity. They also report that the climate of Greenland has moderated so much in recent decades that sheep raising is now possible in the southern part of the island. The line of permanent frost in the Northern Hemisphere has also receded northward by a good many miles. Maybe that's something the Russians can take credit for — or blame on us.

Letter to the Editor

Keep Up With The News By Reading The Daly City Record

There is no better way of keeping in contact with the home town than through the Daly City Record.

If you're living here, or going away, or have a friend who was a former resident of Daly City, why not try the "Record" for up-to-date news of your community and neighbors?

A subscription is only $3 a year, and may be had by calling PLaza 5-4321.

Mrs. Daniel L. Brooks, a former resident now living in Newport, Notrh Carolina, where her Marine husband is stationed, knows the value of the "Record." She writes:

"I want to thank you for mailing the Record to us.

"It was sent to the Marine base at Cherry Point and when my husband brought it home he couldn't have brought anything that I enjoyed more. It was like a letter from home. I read it from cover to cover, even all the ads.

"One reason I think I appreciated it so much was that we hadn't even given you our change of address, so it was a complete surprise to receive it.

"Thanking you again, I remain,
Mrs. Daniel L. Brooks

Nearly three-fourths of the 2,368,238 veterans on Veterans Administration disability compensation rolls, as of June 30, 1950, served in World War II. The World War II veterans numbered 1,701,019.

Defense Plans Under Study

(Continued from Page 1)

his director of civilian defense. Marlowe will be withdrawn from other duties, and devote his full time with the sheriff in working out an immediate program for civilian defense in the county.

Blueprint of the program already has been drawn, Sheriff McGrath declared, and he will ask the board of supervisors to provide the necessary funds for putting it into operation.

"The state and federal governments are working out comprehensive programs for civilian defense," McGrath said, "but I do not think it advisable to wait. We may have an emergency at anytime. We will set up an organization of our own that will fit right into the state and federal programs when they become available. We have drafted a temporary plan to use our own force, and to have available an auxiliary force of at least 100 men, who must be equipped and trained as quickly as possible. A similar program is being worked out by every chief of police in the county, who will co-ordinate his program with ours. This should provide an adequate degree of safety and security, until the state and nation have completed the general overall picture."

The sheriff said Marlowe is well qualified for his civilian defense assignment, having taken special courses at the University of Indiana, and being a graduate of the Federal Bureau of Investigation National Academy in Washington, D. C. Marlowe has been actively engaged in law enforcement work for 15 years, the sheriff added. He is a resident of Redwood City.

Marlowe declared at present he is engaged in the preparation of an outline for civilian defense for the cities of the county, and would submit it to the various chiefs of policy this week. When each city has completed its part, all will be co-ordinated into a county-wide program by Sheriff McGrath as county co-ordinator, he explained.

HOW IT LOOKS FROM A CORNER

(Continued from Page 1)

n't seem to bother many of the members.

Director Frank Bria reports the voiceless phonograph is whirling every night, while a score of boys stand around in rapt attention.

This puzzled Bria until one night he asked a lad his interest in a machine that made no noise. The answer was succinct and simple: "I don't know, but somehow I just like to see the record table go around."

The ancient philosophical debate of good vs. evil, and the place of each in this world, is heard come every war and election.

We think about one of the best explanations for the presence of evil came from a well-known author who said: "Remember, the dung heap is as much a necessity of a landscape as the rose."

This apt allegory can possibly explain the reason the good God allows men of mean stature to rule the destinies of so many millions, and why the Russians are in the position they are today.

Oh yes, the author of the metaphor was Anton Chekov, Russian playwrite and author.

We see by the wire service that a woman somewhere in fair country of ours wants all radio stations to ban the playing of Russian music. She claims anything Russian is subversive.

All well and good, but we're afraid this may put a band leader in the bread line. What's going to happen to those gents who have been stealing Tchaikovsky's music to turn it into red, white and blue American dance tunes.

California State Fair To Open August 31

With the opening of California's greatest State Fair, August 31 through September 10, rapidly approaching, workmen are busy putting finishing touches to colorful exhibits, buildings and grounds.

The State Fair this year will present the greatest array of exhibits in its long history. Thirty-five of the state's 58 counties will have displays in the huge Agriculture Building, depicting California agriculture and industry on parade.

Eight foreign nations will have exhibits in the same building, colorful displays in which photo murals of scenes of nations abroad, and some of the products manufactured in each, being featured. The displays will be augmented by the Wine Industries Show, featuring the famed Wine Magician.

Livestock barns in both Open and Junior Divisions will be filled to capacity with purebred cattle, sheep, swine and goats. The Poultry Building will house some 3,000 entries and the Rabbit Building will hold 500 rabbits of various breeds.

Products manufactured by the California dairy industry will be displayed in the Dairy Products Building. Commercial exhibits, featuring everything from farming and industrial machinery to the latest home appliances will fill three buildings.

The Foods and Hobbies will present displays of processed foods, the California Cookery featuring dishes of 11 foreign nations, two model railroads, and interesting hobbies.

Displays of regional organizations, government and welfare agencies, California sportsmen, and civic organizations will round out an impressive exhibit array.

On the entertainment side of the picture will be concerts by 16 bands, circus acts, the Pageant of California Fashions, strolling troubadours and novelty acts, drum and bugle corps, puppet shows, a troupe of clowns, fireworks, and many other attractions.

Horse racing will be held every weekday afternoon. Speedboat racing over the giant aquatic course in the race track infield will be held both Sundays during the Fair.

The famed Horse Show will have more horses than ever before while the night theatrical performances will feature "Frolics on Ice," starring Belita; the Andrews Sisters, Dick Haymes, and Bob Crosby.

In all, according to Secretary-manager Ned Green, California will have its greatest State Fair this year.

REMEMBER THOSE DAYS, MADAM?

C.N.P.A. Mailing Service

THEM WAS THE GOOD OLD DAYS, or were they? In this advertisement displayed at the Centennial Exposition of California Journalism, Balboa Park, San Diego, the merchant is offering your choice of steaks at 24 cents per pound, Leg of Lamb, 21 cents, Lamb or Pork Chops at 22½ cents, and Bacon at 27½ cents a pound. Pretty Barbara Goodridge says that was the time to make out shopping lists, but she is too young to remember that a dollar was harder to earn in those days, and that the expenses of the farmers, butchers and merchants were far below what they are today.

Vets Protected Against Judgments And Foreclosures

Men called or recalled into military service from San Mateo county are entitled to the same protection against foreclosure, repossession and court judgments which was accorded servicemen in World War II.

This assurance is given by Floyd D. Granger, veterans service officer, in response to numerous questions by veterans, prospective enlistees and inductees, and members of their families, faced with possible financial hardship as a result of a call to active duty in the present crisis.

Some of the principal provisions of the Soldiers and Sailors Civil Relief Act of 1940, which is still in effect, and which cover obligations entered into in good faith prior to entry into military service, are as follows, according to Granger:

Eviction proceedings may be held up for three months if the dependents of a serviceman are renting a home or apartment for $80 a month or less.

A court order is required before anyone can repossess or foreclose on real property which a serviceman is buying on installments, regardless of the terms of the contract.

An extension of time to pay taxes and assessments on such property may be granted, equal to the period of military service.

A court is authorized to appoint an attorney to represent a defendant who is in military service and unable to appear in person in any civil action.

Upon application, the serviceman may have any premiums on his commercial life insurance policy which fall due during his military service advanced by the Government. He is of course obligated to repay, after discharge, any such amounts advanced.

Granger emphasized that the question of hardship and ability to pay, as resulting from military service, is important in all legal proceedings involving the Civil Relief Act. He also pointed out that the benefits of the Act are not automatically available, but must be applied for by the serviceman through a designated officer in his unit or station.

The Civil Relief Act grants wide discretionary powers to judges in cases involving servicemen, Granger added, and the circumstances of each case will be taken into consideration by the courts in determining the extent of relief to be granted.

Red Cross Plans First Aid Classes

(Continued from Page 1)

tember 1, more definite details will be released.

Our Chapter is planning an intensive volunteer recruitment campaign for the early part of next month, and I would suggest that each person start now to plan where he may fit into the stepped up activity of our Chapter in its service to our community in these troubled times."

As soon as the local Disaster set up of the Red Cross is complete, the Chapter will await an invitation from government authorities to participate in over-all plans for the Peninsula. Provisions of its government charter do not permit the Red Cross to assume the initiative in Disaster plans for war emergency.

PASSING WITH SAFETY

Crowding the rear end of the truck which one is trying to pass is a large factor in the danger and the irritation of this process which drivers, for all their experience, are inclined to overlook, declares the National Automobile Club. The best rule is to stay far enough behind the larger vehicle to assure that there will be plenty of room to pull into line if the way ahead is blocked by an approaching vehicle. The farther behind one stays, the better the visibility.

DON'T BE A DRIFTER

When you stop your car at a pedestrian crosswalk, remain stopped — don't drift, urges the California State Automobile Association. To let your car drift into a pedestrian zone is a mark of poor driving, and you may drift into trouble.

Com. Center Bids Much Higher

(Continued from Page 1)

bids. He pointed out that this same situation is confronting other cities and communities throughout the Bay area.

Following is a list of Monday night's bids: Ira H. Larson, $412,202; Alvin Stendell, $413,760; Carico & Gautier, $414,900; Ralph Larson, $416,000; Lewis C. Dunn, $440,440.

Each of the bidders also listed three decreases from the original bid which cuold be made if certain rooms and fixtures weer not included in construction. However, none of these cuts exceeded $34,000.

The council will receive the architect's recommendations next Monday and make a decision concerning future plans at that time.

Korean Consul Answers Questions

(Continued from Page 1)

to nine million. The North Koreans have fled from the Reds' paradise and came to South Korea, but the South Koreans have not fled from the southern democracy.

Mr. Choo's bitterest complaint was the fact that the American soldiers were calling his countrymen "Gooks."

Another complaint was that when he first came to America he was traveling in central California and when he drove through a certain town (and he named it) there was a sign over each entrance to the town saying that no orientals were allowed in that town. He went back recently and the signs were down.

VILLAGE NOTES

by
Mrs. Mark Swoverland
PLaza 5-4158

Hi, there. Lots of people on vacation this week, but they will soon be returning with school about to begin.

Garden Village

Mrs. John Carovano and children Linor, Marten and Stanley spent five weeks in Washington visiting friends and relatives in Tacoma, Seattle and Mineral. They also took a boat trip to Victoria, Canada.

Mrs. Kenneth Chisholm and four boys, David, Roddy, Kenneth and William, spent three weeks in Seattle and Tacoma. Then, by prearrangement, the Carovano's and Chisholm's returned home together. Nice planning.

Thornhill Drive

Here tell Mr. and Mrs. Larkin Roller have had a houseful of company over the week end. On Saturday visiting them were Mr. and Mrs. Dale Rector and Mr. and Mrs. Maurice Marshall. Sunday visitors were Mr. and Mrs. Aubra Wadsworth and children of Gridley, and Mr. and Mrs. W. Mackinder of Sacramento. Whew. It makes me tired just thinking of all that company.

Maddux Drive

Congratulations to Mr. and Mrs. Jack Baumgartener on their ninth wedding anniversary. They celebrated with a quiet family dinner at their home August 22.

The neighborhood canasta crowd got together August 10 with a full house (whoops, wrong game). Attending the party, held at the home of Mrs. Jean Proctor, were Mesdames: Fleeta Lagoria, Betty Hart, Doris Menary, Eleanor Cress, Pearl Harris, Irene Parks, Anparo Arejula, Mary Contreras and Marion Polites.

Mr. and Mrs. Ed Arthur and family returned from a vacation in the northern part of California. Can't tell you exactly where, but . . . oh, well, it's all beautiful country.

Mr. and Mrs. Carl Copley returned from a 10-day vacation, part of which was spent visiting the Carlsbad Caverns. The Copleys say it was extremely warm.

Sally Ann Simola was a year old on August 14, and celebrated with a lovely party. Joining in on the party were Clifford Box, Susan Helmer, Donald Mitchell, Kelvin and Lorraine O'Hara and Paula Baumgartener.

We all wish luck to Ash Helmer, who is leaving September 11 to become a serviceman in the navy.

Here tell John Simola bagged a deer last Saturday.

Sweetwood Drive

Mr. and Mrs. Attilio Ghiotti celebrated the first anniversary August 5. Congratulations.

Little Gordon R. Feist is ill. We all hope he will be better. His tonsils are giving him a bad time, but they soon will be out.

Wildwood

Mr. and Mrs. Frank Bentos returned from two weeks at Clear Lake.

Mr. and Mrs. William Fisher and sons, Clifford and Billie, have left our community. Mrs. Fisher will be missed, particularly as she was quite active in community affairs.

Eighty-seventh

We understand little Gail Kuberwitz is recuperating from a very serious heart operation. We all hope he will soon be better.

Here and There

Mrs. Carl W. Hamilton had dinner at the home of Mr. and Mrs. Jerry Hopper last Friday.

Mr. and Mrs. Ottoboni returned from a vacation in Santa Cruz. How was the weather?

Mr. and Mrs. R. P. Loften and Mr. and Mrs. Jerry Hopper went to San Mateo last week. Had an enjoyable time over there.

Girl Scout day camping is over and we understand there was quite a turnout from Broadmoor. Among those attending camp were Edith Detweiler, Susan Detweiler, Nancy Hopper, Nancy Gollibec, Joan Mayer, Betty Fletcher, Jo Ann Johns, Toby Carlson, Helene Gann, Nancy Golladay, Barbara Golladay, Betty Banfield, Pamila Meitz and Colleen Brugge. Leaders from Broadmoor were Donnie Golladay, Marge Nurse, Alice Detweiler and Mrs. Spry H. Banfield.

Marjorie and Jerry Hopper had an interesting experience recently. They saw friends Mr. and Mrs. Arthur Wittke off for Hawaii.

Happy birthday to Susan Helmer who was two years old August 7.

Legionnaire conventioners returning from Sacramento said they had a wonderful time. Those staying for the whole convention include Mr. and Mrs. Steve Melinec and Mr. and Mrs. Bill Merchant.

Broadmoor Woman Sues Stoneson Co.

The Stoneson Development Corp. this week was named as defendant in a $56,200 negligence suit filed by a Broadmoor woman.

Mrs. Hazel F. Pearson, 620 MacArthur, claims that because of faulty construction she became ill, and asks $25,000 for her suffering.

The home was built in August, 1947, and she bought it for $10,500, Mrs. Pearson stated in the suit filed in superior court in Redwood City.

Since December 1947, she stated, she has not been able to use it because the foundation, floors and fireplace sank, and water from a nearby hillside washed mud onto the property.

Largely because of summer vacations, the number of veterans training under the GI Bill and Public Law 16 on June 30, 1950, was only three-fourths of the total enrolled the end of May. Trainees on June 30 numbered 1,615,735; the May 30 total was 2,205,973.

Your CC Dollars Help Children Of S. M. County Homes

By June Dutton

There were six youngsters in this family that I'm going to tell about. The mother was not well and the children were not the sturdy youngsters that they should have been. They were badly in need of additional care.

Observing these troubles, a friendly neighbor suggested to the mother that she contact the Children's Health Home in San Mateo for help. But despite her obvious need, the mother refused, saying that she couldn't think of having anyone know that a child of hers was at the Home and accepting charity.

Disregarding this attitude, the neighbor made a visit to the Home and returned with eager and enthusiastic accounts of what she had seen and learned. The mother was presently persuaded to follow suit.

She was surprised at what she saw, and her visit was accompanied by apologies for her unfounded objections. Soon her oldest child was among the score or more of children who live temporarily at the home. Then it wasn't long before two more of the children from this family also made application and were accepted. The three will remain at the Home just as long as their health continues to be in jeopardy and they need care, thus lifting a burden from a sickly mother and insuring their own future health.

These three youngsters are aged six, seven and eight, however boys and girls from six through 13 are eligible for admittance to the Home. They must reside in this county and be convalescing children, suffering from allergies (such as asthma), malnutrition, and minor heart ailments or they must be in danger of contracting tuberculosis or other illnesses resulting from a generally run down condition. No active tuberculosis or contagious disease cases or bed patients are cared for at the Home.

The children are welcome to stay for as long a time as they require to regain their health. The average stay is one year, although some remain several years and others a shorter time.

Broadmoor Woman To Attend Meet

A Broadmoor woman this week was chosen as one of three representatives from small churches to participate in the Presbyterian National Curriculum conference in Atlantic City October 30.

She is Mrs. Kenneth McEwen, and she will represent the Broadmoor Community Presbyterian Church, The Rev. John Glasse reported.

Mrs. McEwen is a Sunday school teacher from the primary department of the church.

SEEN OVER A WOOD FENCE

By Godfrey M. Woods

Did you hear the expressions of Oh boy!' 'Golly gee!' 'Gosh!' 'Yipee!' a few Sundays back when members of the Lake Merced Post No. 9921 of the Veterans of Foreign Wars assisted with members of the American Legion and Broadmoor Property Owners Association in molding together the much sought-after playground for small children located next to the Community Center?

The users of this playground watched with big eyes shining and exclamations of glee as the boys placed the swings and whirley-gigs and other fine instruments of recreation in their respective places.

A tip of the hat to those fellows who gave up their Sunday to help the little fellows who are just a bit too small to do the job themselves. The Lake Merced Post of the V.F.W. is planning in the near future to erect teeter-totters as their donation to the playground equipment.

This is just one of the many spirited community projects in which the V.F.W. has taken an interest and have come through as always.

By the end of June, more than 7,500,000 World War II veterans had, at some time or other, taken education or training under the GI Bill and Public Law 16 (for the disabled).

SPORTSMEN'S CALENDAR

The Division of Fish and Game reminds California sportsmen of the following general regulations which apply to current hunting and fishing.

DEER — Ends September 15 in central and south coastal areas. Bag limit: two bucks. September 16 to October 15 in Sierra, north coastal, and Modoc-Lassen areas. Bag limit: two bucks in north coastal area; one buck elsewhere; no forked horns in northeastern California section.

BRUSH AND COTTONTAIL RABBITS — September 1 to December 31 in Districts 4, 4⅛, and 4¾; November 1 to December 15 in District 1¾; November 18 to December 31 in balance of State. Bag and possession limits: four per day.

JACK RABBITS — September 1 to December 31 in Southern California Districts 4, 4⅛, 4¾, 19, 20, and 22. No closed season elsewhere. No bag limit.

SAGE HENS—Septembeer 1 to September 2, in Mono county only. Bag limit: two per season.

DOVES — September 1 to September 30. White-wings in Imperial county, September 1 to September 15. Bag and possession limits: 10 per day. Shooting hours: Noon to sunset on opening day; one-half hour before sunrise to sunset otherwise.

TROUT—Ends October 31. Bag limit: 15 trout, salmon, or Rocky mountain whitefish, but not more than 10 pounds and one fish. Local exceptions.

BLACK BASS, SUNFISH, CRAPPIE, SACRAMENTO PERCH — Ends February 28 in northern California. No closed season elsewhere. Bag limits: 5 black bass, 25 sunfish, crappie, perch. Local exceptions. No size limits.

STRIPED BASS — No closed season. Bag limit: 5 fish or 25 pounds and one fish, or 2 fish regardless of weight. Minimum size limit: 12 inches.

CATFISH — No closed season. Bag and possession limits: 15 pounds and one fish in the round, or 8 pounds and one fish dressed. Minimum size: 9 inches in Clear Lake; 10 inches in District 22; none elsewhere. Night fishing permitted in District 22, Siskiyou, Shasta, Modoc, and Lake counties.

OCEAN FISH—No closed season on the following species (bag limit included): 15 rockfish; 2 marlin; 2 black sea bass; 3 salmon; 2 broadbill swordfish; 10 tuna, crocker, skipjack, albacore, barracuda, yellowtail, white sea bass, bonito, rock bass kelp bass, corbina, halibut, ling cod and cabezone. No limit other species.

ABALONES—Ends January 14. Bag and possession limit: 5 per day. Minimum size limits: red abalone, 7 inches; green, 6¼; pink, 6; black, 5.

CLAMS—Closed until September 1 in Humboldt and Monterey Bay areas. No closed season elsewhere. Bag limits: 30 razor; 10 big neck; 10 Pismo; 10 Washington. No limit on jack knife clams.

BAD RISK

Don't try to make up a little lost time on your vacation trip by fast driving, urges the California State Automobile Association. Loss of time never justifies the risk of loss of life.

FRONT WHEEL ASSEMBLY

Your car's front wheel assembly should be checked at regular intervals by a competent mechanic, advises the California State Automobile Association.

Canasta Party Slated Friday

Canasta will be the principal business before the members of Lake Merced Unit No. 9921, VFW, at a party this Friday, August 25.

The canasta party is to be held at 1 p.m. in the home of Mrs. Anthony Stankus, 856 Eighty-seventh street.

Meanwhile, at their regular business meeting Tuesday, members of the Auxiliary entertained several members of Old Glory Auxiliary No. 2044 VFW. Present were Mesdames Johnson, Walker, Poket, Canti, Dorn, Gehrig and McKeown.

Also present was Mrs. Doris Morzlin, president of the Redwood City Unit No. 2310, VFW.

Broadmoor Sewing Class To Resume

Sewing classes held at the Broadmoor Community Presbyterian church are to be resumed the middle of September, Mrs. Harry Lapp, director, said today.

The classes were popular last spring, and all those participating did so well that they were able to stage their own fashion show at the conclusion of the class.

Courses are open to everyone from the novice to the experienced seamstress.

Those inteersted in enrolling are asked to call Mrs. John Faust at PL 5-4643.

EXCESSIVE OIL USE

Excessive oil consumption results in other and possibly higher costs than those involved in the outlay for additional lubricant, states the National Automobile Club. Although the average owner is inclined to overlook the fact, excessive oil loss means under-lubrication of high speed, hard working parts of the engine which cannot fail to produce excessive wear. Correction of the original difficulty, that is, finding the cause of oil waste and effecting the needed remedy, is wise spending.

One-third of the 555,276 disabled World War II veterans who trained under Public Law 16 had completed their training and were declared rehabilitated, a Veterans Administration report as of June 30 disclosed.

Walter Capps

Funeral services were held Friday for Walter Capps, 62, a former long-time resident of Daly City.

Capps, who lived in Daly City for 20 years before moving to San Francisco, died last Wednesday following a short illness.

He is survived by his widow, Mrs. Capps, and five sons, Ralph, Robert, Walter, Bert and Gene. There are five grandchildren.

Service were held Friday at the Little Chapel of the Sunset.

The Future of a Duckling

How carefully Nature prepares her little ones for life!

Three little ducklings; all three have webbed feet that will propel them through the water, fuzzy down that will turn into the best waterproofing Nature can fashion, strong flat bills that will snap food from the water quicker than you can say "Donald Duck."

Nature prepares her little ones for life—except in the case of *man*.

Consider that youngster who is fascinated by the ducklings. MAYBE he'll gain a clear understanding of right and wrong. MAYBE he'll find courage to meet life's many discouragements. MAYBE he'll discover the Faith that enables a man to build spiritual values into his life.

Those things a child needs most, Nature does not provide. Parents must provide them—by giving him the advantage of thorough religious training in the Church.

HOLY BIBLE

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Gala Folk Dancing Festival Planned For Daly City Labor Day

Ever heard of the "Schudel Bux"?

Regardless of whether you have, or haven't you will have an opportunity to see it performed at the gala Daly City Folk Dance festival Labor Day, September 4.

In what promises to be an annual affair, the Daly City Recreation department is sponsoring the festival at Jefferson High school between 1:30 and 5:30 p.m. Hosts for the day will be Daly City's own Calico Clickers . . . one of the Bay area's most prominent folk dance clubs.

In addition to the "Schudel Bux," there will be a well-balanced program of square and folk dances designed for dancing by everyone from beginner to the seasoned veteran.

Yes, you will be able to dance, for in between the exhibition dances, the floor will be open for general dancing.

Grown-ups and teen-agers alike are invited to attend. There will be special dances for both groups.

Calling the numbers will be some of the finest square dance callers in the Bay area.

Muriele and Raymond Pabst are the co-chairmen for the event.

Other dances besides the "Schudel Bux" will include: Mexican waltz, sisken, corrido, caballito blanco-fado, Mexican schottishe, windmueller, tuljak, spinning waltz, Italian quadrille, cotton eyed joe, totur, Russian peasant, senftenberger, St. Bernard waltz, donello tango, and of course the usual hambo's, squares, and others not listed here.

NEWS OF YOUR NEIGHBORS

Mr. and Mrs. Bert A. Maughan, 236 Thiers, are the proud parents this week of a baby daughter, born at Mary's Help hospital August 8. When the new addition, Patricia Ann by name, arrived in the world she tipped the scales at a healthy 8 pounds 13 ounces. This makes the second daughter to join the Maughan family. Peggy Maughan has been around the Maughan home for the past three years.

Elman J. Rose's family, 856 Beechwood drive, vacationed last week at the University of California's "family-style" alumni camp, the "Lair of the Golden Bear," at Pinecrest, situated at an elevation of 5400 feet and located 165 miles east of Berkeley. Discussions around the campfire are led by favorite Cal professors and form the unique appeal of the program at the Pinecrest Lair. Activities are varied and include the usual resort recreations of swimming, boating, fishing and hiking. Accommodations are cabins and wood-floored tents, Meals are served family-style in a community dining hall.

Mrs. Anna Delaney, a resident of Lima, Peru, for the past 35 years, is now visiting with her sister, Mrs. Ida Beale, 38 Beta street. She plans to be in Daly City for at least another three weeks before returning to her husband, an American importer, in Lima. During her years in Lima, Mrs. DeLaney spent 10 years as secretary to the American ambassador in Peru.

Mr. and Mrs. Steve Holcomb, 126 Acton street, have spent the last two weeks broadcasting the good news that they are now grandparents. This title was bestowed on them for the first time August 8 when Mr. and Mrs. George Fernandez presented them with a 7½-pound granddaughter, Kathleen Beverly Fernandez. The new addition arrived at the East Oakland hospital. Daly City residents will remember that Mrs. Fernandez is formerly Christobel Holcomb.

Mr. and Mrs. Bill Johnson from Dawson, Texas, have been visiting with their son, a San Francisco policeman, and their sister-in-law, Mrs. May Sparks of Daly City. Johnson has been a letter carrier for a number of years in Texas. Their son, Alvin R. Sorelli Jr., is one of the young and up-and-coming San Francisco policemen.

John Pereira, nine-year-old son of Mr. and Mrs. Pereira, 451 Bellevue, will be more careful after this when he plays in the Crocker hills. Tuesday afternoon he was having a wonderful game of cops and robbers when he slipped and fell on a piece of glass. The glass gashed his left wrist so badly that police had to take him to Junipero Serra hospital for several stitches. He is home today with a bandaged wrist.

Mr. and Mrs. W. E. Roberts, 226 Hillside boulevard, are hosts this week to two world travelers. Frank Yates, an accountant for the government, has returned to San Francisco after a year in Alaska and several months in Washington, D. C. Capt. Tom Sanderson, recently off the "SS Palmar," is visiting here from New York. Both the gentlemen have visited or lived in almost every major city of importance on the face of the globe. They are now in San Francisco awaiting reassignment to what they hope will be the most important voyage of their lives.

Parent Education Workshop Slated September 18

Preliminary plans for a parent education workshop in Seventeenth District California Congress of Parents and Teachers were formulated by a committee at the San Carlos home of Mrs. G. J. Sirex, district president, on Monday afternoon, August 14.

A central location will be selected for the workshop on Monday, September 1, which will invite participation from the sixty-five P-T Associations in San Mateo county. Local presidents, parent education and/or program chairmen will be delegates. Two sessions, divided by a brief lunch period, are scheduled to begin at 10 a.m. and 12:30 p.m. with prompt dismissal at 2:15 o'clock.

Program outline for the day features Mrs. W. L. Riser of Oakland, State parent education assistant chairman, in the morning. In the afternoon a motion picture sponsored by the National Mental Health Society titled, "A Preface to a Life," which was proved of absorbing interest to audiences throughout the State, is being shown here for the first time.

Dramatized study group sessions; a report from Mrs. Elsieann Irvin of Burlingame, school education chairman, on the basic 3 R's program; demonstrations and displays on the use of literature, and question periods complete the prearranged details.

SF Flower Show Coming Next Week

The rotunda of the city hall will be the setting again this year for the annual San Francisco Flower Show, Glenn T. Mack, show manager, announced this week.

The exhibits will be judged Wednesday morning, August 30, and the show will be open to the public without charge from 2 to 10 p.m. and all day Thursday, August 31. On Wednesday night a concert will be presented by the San Francisco Municipal Band under the direction of Phil Shapiro.

Open to both amateur and professional floriculturists, the San Francisco Flower Show is a spectacular tribute to the local climate, which, growers claim, intensifies the rich colors of the tuberous begonias, fuschias and dahlias produced here.

Cash awards, as well as red, white and blue ribbons will be presented all prize winners, Mack said. Money for cash awards is received from the State's Fairs and Expositions pari-mutuel fund. The American Home achievement award will be presented to the exhibitor of the best new dahlia displayed.

The show this year will afford amateur camera fans an unusual opportunity to pursue their hobby, Mack reported, as arrangements have been made for special spotlighting of the displays each evening, after the show is closed to the general public.

Mrs. McKaskle Gets Red Cross Post

Mrs. Marion McKaskle, 158 E. Vista, today was named chairman of the women's division of the Red Cross in Daly City.

As her first official act as new chairman, Mrs. McKaskle called on all interested women to lend the Red Cross a helping hand.

"We need motor service assistants, clerical workers and Gray Ladies," Mrs. McKaskle noted.

All women who are interested in making themselves available for Red Cross work are asked to contact Mrs. McKaskle, after 5 p.m., at PLaza 5-2574.

And more women are badly needed. With the outbreak of the Korean war the Red Cross has been taxed to the limits, Mrs. McKaskle said.

Women are needed to drive ambulances and other motor vehicles. Women are needed to do the necessary clerical job involved with assisting the families of San Mateo county. And, above all, women are needed to fill the ranks of the Gray Ladies.

A special orientation class for Gray Ladies is to be held September 11 and 12 in San aMteo.

SOCIETY

Lake Merced Post No. 9921, VFW, Plans First Annual Picnic Sunday

On Sunday, August 27, at 9 a.m., Lake Merced Post No. 9921, VFW, and Auxiliary plan their first Annual Picnic to be held at Flood Park, just south of Redwood City off Bayshore Highway.

Events planned for the children and adults will offer, fun, and entertainment for all. Prizes to be awarded to the winners.

Food fit for a king, i.e. baked Virginia ham, with all the trimmings, weenies, roasted and toasted, soda pop, ice cream, watermelon, pretzels and beer, all you can possibly want in the way of food and drink.

We are sure that all our friends will want to take advantage of this fun and frolic and a chance to get better acquainted with your friends in the neighborhood.

For information as to reservations, contact Mr. and Mrs. Lawrence Magoon at 519 87th street, Colma, PL 5-4267, or Major and Mrs. Lewis Heim, 15 Village lane, Colma, PL 5-1642, or contact any member of the Post or Auxiliary for tickets.

The Post is confident that they can satisfy everyone with all they can eat and drink during the day and assure them a grand and entertaining time. So why not come out and join in the fun?

Remember, that's Sunday, August 27, at Flood Park. Be seein' ya!

Atomic Weapons Book Now Available

The American people are principally interested in children, aviation, and gardening, as disclosed by sales figures of U. S. Government publications, but officials of the Government Printing Office today made ready to add a new best seller to its list as purchasers lined up at the Government Printing Offce Book Store in Washington, and mail orders began arriving from all over the country for the new Atomic Energy Commission publication entitled "The Effects of Atomic Weapons."

This publication contains previously unpublished details on atomic explosions and is of primary interest to persons engaged in civilian defense, the building trades, and all others vitally interested in what happens when an atomic bomb explodes.

The book, prepared by the Atomic Energy Commission from non-confidential, scientific, and technical information, presents the most informative and authoritative data that can be disclosed and is now for sale to the public by the Superintendent of Documents, Government Printing Office, at $1.25 a copy.

GRADUATES FROM DENTAL SCHOOL

Donna Merritt, Rt. 1, Colma, will be "capped" and graduated from The Dental Nurses Training School, San Francisco, Sepetember 8. She has already been appointed dental X-ray technician of one of San Francisco's leading dental X-ray laboratories.

VFW Auxiliary Entertains Vets

Veterans of Ward 11 in the Palo Alto Veterans hospital were entertained last Wednesday evening by members of Old Glory Auxiliary No. 2044, VFW.

In addition to dancing with the patients, the women served them refreshments. Dancing was made possible by the portable phonograph and records taken to the hospital by Shirley Walker, hospital chairman.

Other women who made the trip included Mesdames: Mona Calvert, Lenora O'Neil, Mary Conti, Catherine McKeown, Marjorie Johnson and Clara Poket.

Jackie Walker and Marjorie Johnson acted as chauffeurs.

Also, last Sunday several Auxiliary members attended the Twelfth district meeting of the Ladies Auxiliary of the VFW in Mountain View.

Present were Mesdames: Johnson, president; Ethel Dorn, secretary; Poket, treasurer; Ruth Brulez, patriotic instructor; Eleanor Cochran, color bearer, and Leona Kruithof.

Mrs. Dorn is past president of the district, while Mrs. Cochran is conductress of the district for the next two years.

New Arrivals

To the wife of Richard L. McHugh, 125 Thiers street, August 10, a daughter.

To the wife of Garvey A. Pollard, 124 E. Vista avenue, August 11, a daughter.

To the wife of Robert E. Ward, 31 Risel street, July 28, a son.

To the wife of Kenneth Reichard, 1025 Gilman drive, August 12, a daughter.

To the wife of Ernest C. Schooler, 824 Thornhill drive, August 14, a daughter.

To the wife of Paul P. Troche, 150 W. Moltke street, August 10, a son.

Rev. Konzelman Returns From Trip

The Rev. Robert G. Konzelman, B.D., pastor of The Lutheran Church of Our Savior, has just returned from southern California. Being chairman of the Parish Education committee, he conducted meetings in Inglewood for pastors and laymen, and much was accomplished in the way of furthering the Christian education program for each parish of the American Lutheran Church in the California district.

Following Sunday school and bible classes at 9:45 a.m. this Sunday, the Rev. Konzelman will deliver the sermon at the 11 o'clock Divine Worship Hour. The Lutheran Church of Our Savior is located at the corner of Garfield and Junipero Serra boulevard. Phone numbers are JU 4-8501 and JU 4-0293.

"Unloaded" Rifle Wounds SF Boy

Hobbling around on a wounded foot today is a 14-year-old San Francisco boy who forgot to see if his gun was loaded.

Roy Larson, 3427 Taraval, was firing his .22 rifle at the Sharp Park target range Sunday afternoon when he fell on the gun and broke the stock.

With the shooting over for the day, he returned to his home via Daly City where he stopped for a moment at a gas station at Vale and Mission.

An attendant at the station noticed the rifle and asked Roy how he had broken same. Roy said he'd demonstrate. A moment later, with the gun pointed at his right foot, Roy accidentally pulled the trigger.

The "unloaded" rifle fired. Today Roy is recovering from a gun shot wound in his right foot.

The sea lions which inhabit San Francisco's Seal Rocks are wards of the Park Commission.

Local Sportswomen Give Stork Shower For Laurien Fox

By Mrs. E. K. Whinnen

Business was waived at the Sportswomen's meeting on August 16 in favor of surprise stork shower for Laurien Fox, secretary-treasurer, and popular member of the club.

Laurien was detained by husband, Jimmy Fox, to give all the members time to arrive before she did. As Laurien entered and came up the stairs the strains of Brahm's "Lullaby" drifted down to her and gave her the clue to the situation.

All gathered round and escorted Laurien to the table with the big basket of pretty packages all done up in the usual baby "formula."

After she got her breath, Laurien said she had been quite provoked at Jim for his dilatory ways. Seems that he chased all over before delivering her to Frances', whereas his usual custom is to drop her off first and atend to his other business afterward. He is back i nher good graces now, though.

Ten hands of hearts were played with a prize for the low score. Mary Shalkowsky won that, with Mildred Whinnen as runner-up. After the cards, refreshments were served and then the big moment of the vening—all the pretty packages were opened. Laurien won't run out of bottle holders unless she has quadruplets. Three bottle holders in various patterns and shapes managed to get into that shower, and with only eight donors there too!

Anyway, everyone had fun, and all wished Laurien a girl, and the best of luck.

Mother-Baby Care Classes Resume

The first class of the fall season in "Mother and Baby Care and Family Health," Unit II of American Red Cross Home Nursing Service will start Wednesday, September 6.

Classes will be held at the Red Cross Chapter House, 1449 Bellevue avenue, Burlingame, from 10 a.m. to noon every Wednesday and Friday for three weeks. Miss Glendora Goodhue, registered nurse, will instruct.

Because of the popularity of these classes, early registration is urged. Call DIamond 3-4561 to register.

"Record" Reminiscence

From the "Record" 10 Years Ago
August 21, 1940

Four new teachers will greet high school classes here for the first time next Monday. They are Clayton Smith, Miss Ethel Fillmore, Edgar Smith and Louis Tsoutsouvas.

Members of the Daly City band were feted late Sunday evening at the Napa County fair.

Two Jefferson graduates were married Saturday afternoon when Miss Hariet Anderson, 221 Los Olivos avenue, and Johnny Ambrosio, Hillcrest drive, exchanged nuptial vows in Reno.

Mrs. Elsie Hiller, 181 Santa Barbara avenue, brought home a gold trophy from the Alameda Dahlia Society show, held Saturday and Sunday at the Alameda high school.

OLPH Mothers Club To Hold Whist Sept. 5

Whist players attention.

The Mothers Club of Our Lady of Perpetual Help school will hold a dessert-whist party on the afternoon of September 5 in the school auditorium beginning at 1 p.m.

Refreshment chairman for the day is Mrs. Esther Nolan, while the whist chairman will be Mrs. Catherine Ricci.

HAVE VALVES ADJUSTED

The engine breathes through its valve system. Before starting a long trip, the National Automobile Club urges motorists to make certain that the valves are correctly adjusted. It is a quick way not only to efficiency of operation, but to a significant saving of fuel on the long trip.

WEEKLY CHECK-UP

Automobile tires should be filled to correct air pressure once a week, according to the California State Automobile Association, which also recommends an occasional inspection of the tires for breaks, cuts and wear.

GARDEN CENTER TO SPREAD FLORAL FAME

To perpetuate the fame of San Mateo County as the "flower basket of the world," organization plans for the County Garden Center were made at a meeting in the Fiesta building on the fair grounds last week attended by these members who are, left to right: Mrs. Clinton Horn of San Mateo representing the Rose Society; Mrs. Robert Kahn of San Mateo, co-chairman of the amateur division for the 16th annual Fair and Floral Fiesta; Mrs. Oscar Thayer of Burlingame, Garden Center historian and former acting-president; Mrs. Henry Boos of Burlingame, general chairman of the Floral Fiesta amateur division; Mrs. Ernest Baker, representing the San Carlos Civic Garden Club and Mrs. Max. Leutholdt of San Mateo, chairman of the Floral Fiesta junior division.

After 41 Years Mrs. King Sees Six Sisters

It took 41 years, but last month Mrs. Herbert G. King, 65 Alexander, was present at a family reunion with her five sisters in Vancouver, B. C.

The reunion was held July 20 at the home of Mrs. King's eldest sister, Mrs. A. R. Carrington.

Mrs. King had not seen her five sisters since that day 41 years ago when she left Canada for San Francisco. She has been a resident of Daly City 15 years.

Mrs. King spent the entire month of July renewing acquaintances in Canada. She returned home August 6.

Her five sisters came from many distant points to take part in the Woodward pioneer family reunion. The five include: Mrs. C. W. Hundley from Tule Lake; Mrs. J. F. Murray, Mrs. F. Dondadeau from Vancouver, and Mrs. J. M. Grimm from Abbotsford.

Mrs. King's grandfather, Thomas Woodward, pioneered from Ontario to California by covered wagon and later moved to Victoria and then to Nicola Valley where Mrs. King's father, Harvey was born.

Teen-Agers Enjoy Ice Follies

Last Tuesday night a select few from all of the playgrounds in Daly City journeyed down to Winterland in San Francisco to see the Ice Follies of 1950.

Thirty-two people made the trip under the supervision of Erle Johnson and Glen Smith via the municipal bus lines.

The show was really a spectacle to behold. Most of the youngsters were at their first ice show and were especially impressed with its wonderful acts.

The only disappointment to most of those who made the trip was the fact that the two famous comedians, Frick and Frack, were only on the ice a very short time. These two men are really laugh getters and everyone hated to see them go when their act was over. It would be impossible to explain the performance in words because one should see the show to really know how good it is.

Special Card Party To Be Held Sept. 19th

A special card party for the benefit of Robert Emmett Division No. 4, Ladies Auxiliary, AOH, will be held September 19.

Place of the party is the Irish American Hall, 454 Valencia street. Time is set at 8:30 p.m.

Also, card parties are held every Friday evening for the benefit of St. Finn Barr's Church, Hearst and Edna streets.

Two SF TV Stations Plan Seven-day Schedule

Two of San Francisco's three television stations are presently planning to step up their programs to seven days weekly, it was reported here this week.

KRON-TV Channel 4 in San Francisco, will go on a 7-day basis about the middle of next month, and KGO-TV is working on program plans for a 7-day week telecast in the near future.

KPIX, San Francisco's third television station has not yet announced plans for an extension of its telecasts.

Court St. Mary No. 1155 CDA Honors 14 Charter Members Last Thursday

Congratulations were the order of the evening at the meeting of Court St. Mary's No. 1155, CDA, last Thursday.

The congratulations were tended by Mrs. Richard J. Ennis, grand regent, to those 14 charter members of the original 35 who organized the Court.

Charter members present included Mesdames: John F. Fields (first vice - grand regent); George F. Rode (first historian); Frank J. Davis (first treasurer); Fred J. Wettstein (first organist); John F. Johnson, Anthony S. Parmisano, Charlotte Ford, W. J. Core, and Ferdinand Michelson.

Beautiful fuchsia corsages were given each charter member with a card from the Grand Regent. Father Adrian McKenna also spoke briefly and congratulated the 20-year members.

After the meeting members were entertained by Miss Alice Quickert on her marimba. Other entertainers included Mrs. Ennis, who put on a mammie skit; Mrs. Wettstein, who played several numbers on the accordion and a number dedicated to all the charter members and Mrs. Ford, who is celebrating her fiftieth wedding anniversary September 28.

The tables were beautifully decorated with flowers and a huge birthday cake in the center, and a smaller one which was presented to Mrs. Ford.

Mrs. Robert Miller and Mrs. John Johnson were in charge of refreshments.

The next meeting will be September 7 at 7:30 p.m., after which there will be the annual quarterly whist game which starts at 8 p.m. The public is invited.

Eagles Teen-Age Dance Slated This Saturday

Another teen-age dance will be held in Eagles Hall, 3346 San Diego avenue, this Saturday evening, August 26.

Held strictly for the children of Eagles and their friends, the dance is sponsored by the Colma Vista Grande Aerie No. 1848, FOE, and Auxiliary.

Members of the teen-age committee, including Gerald and Edrie Summers, Jack and Edna Mona, are doing a splendid job with the children. The attendance which started with 20 has now reached 100.

Assist this program by letting your children take an active part in the dance. Dances are held every second and fourth Saturday of every month.

Tickets may be obtained by calling Edna Mona, DE 4-1294; Gerald Summers, JU 5-0436; Loren Gardner, PL 5-3931; Reginald Calvert, HE 1-7940. The tickets are free, but necessary for admittance.

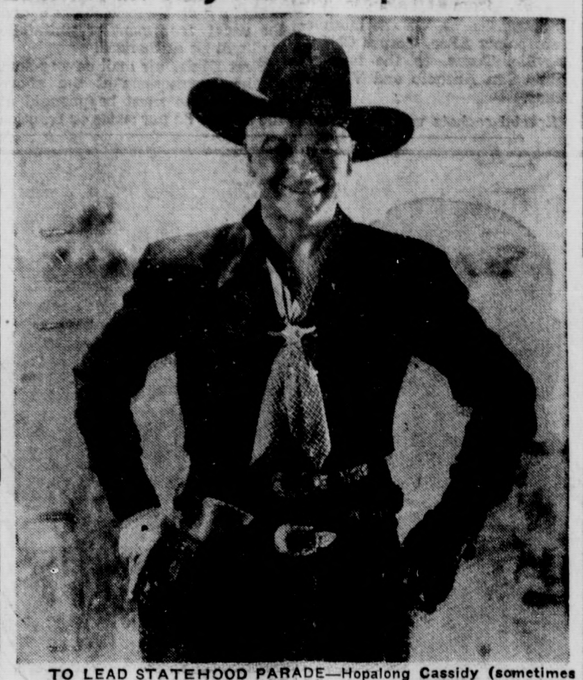
It is believed the first wave of Indian migration from Asia to the Western hemisphere occurred some 25,000 years ago.

Hopalong Cassidy To Lead San Francisco Admission Day Parade September 9



TO LEAD STATEHOOD PARADE—Hopalong Cassidy (sometimes known as Bill Boyd) will bring his white horse, pearl-handled gun and famous black outfit to San Francisco on September 9 to lead the Admission Day parade which will climax the eight day celebration of 100 years of Statehood for California.

Hopalong Cassidy (still known to a few stubborn personal friends as Bill Boyd of Hollywood) is coming to San Francisco with full accoutrements to lead the Admission Day parade.

(That "full accoutrements" means white horse, black hat and cowboy suit, and BOTH pearl-handled six-guns, kids! In person, too — not just television!)

Announcement of this all-important addition to the Statehood Centennial celebration program here September 2 through 9 was made by George Heinz, executive secretary of the California Centennials Commission, as plans for the extensive parade neared completion.

Indications are that the parade, which starts at 10 o'clock the morning of September 9, will be one of the longest ever to be staged in San Francisco. At present there are 175 entries — including floats, marching units, bands, decorated cars and other features —in addition to the twenty-one spectacular historical floats provided by the Centennials commission.

These latter might well constitute a parade in themselves. They are artistically conceived projects representing significant events in California's history. The county in which the historic event took place is joint sponsor of the float with the Centennials Commission. For example, San Diego County sponsors Cabrillo's discovery ship; Marin County sponsors Sir Francis Drake's Landing; El Dorado County is represented with the discovery of gold; Sonoma County by the raising of the Bear Flag; Sacramento County by Sutter's Fort—and so on.

Parade chairman — and chief of staff on the line of march — is Harry Romick of San Francisco. Grand Marshal for the Native Sons of the Golden West is Walter I. Carpeneti, and for the Native Daughters Mrs. Elmarie H. Dyke will function. The line of march is from the Embarcadero and Market, west on Market to Fulton street, thence west on Fulton to Larkin street, north on Larkin to McAllister street, west on McAllister to Polk street, south on Polk to Hayes street, west on Hayes to Van Ness avenue, and there disband.

A reviewing stand will be erected in Civic Center, near the huge Birthday Cake for California which is now being constructed. This is to be a three-tier affair, the height of a three-story building, decorated with a glistening coating simulating frosting. One hundred candles — one for each of California's golden years—will be erected on the cake and lit at night, when colored lights will play upon the "frosting" to add further beauty. In the base of the structure will be set the famous dioramas of San Francisco which were seen by millions during the Golden Gate International Exposition and are still being enjoyed by Centennial celebrants at Portsmouth Plaza.

The street decoration plan is the most elaborate ever attempted in San Francisco. The San Francisco Citizens' Committee appointed by Mayor Elmer E. Robinson to cooperate with the Centennials Commission is principally responsible for this phase of the celebration. Each lamp post along Market street from the Ferry Building to Civic Center is to be crowned with a huge nine-foot "jewel," and the columns are to be masked with figures and historic scenes.

DALY CITY PLAYGROUND ACTIVITIES

CROCKER PLAYGROUND
By Regina S. Warchot

Crocker Playground had a week of outings last week. It was wonderful! Everyone came. We went to the movies Monday as usual but the remainder of the week proved very exciting and interesting. The Bay cruise was enjoyable for all — mothers and children. Mrs. Davis, Mrs. Bell and Mrs. Warshot were the mothers who were present on the Bay excursion. Friday, we went to Jefferson for the Swim party and then to Marchbanks on a picnic. Friday afternoon we went hiking. I think everyone enjoyed our activities last week.

This week Crocker playground is moving to 337 Bellevue and the director is hoping to see all of the same and also some new faces at our new home. No new outings will be planned until we have moved, but I hope that everyone remembers the football accuracy throw at Marchbanks at 1:30 p.m.

Next week is the grand finale week for the summer. This week is again filled with activities. So don't forget to see your director and find out about it.

CRAFT CENTERS
By James Kraywinkel

This last week the small children had some clay work. They made vases and then colored pipe cleaners for the stem, after which they cut out flowers from paper to paste on the stem. The stems were then placed in the clay vase. In most cases, they didn't turn out too well but in the future I'm sure the children will do better. In the next week and a half we will be repeating some of the things made this summer so they can be displayed at the craft exhibit August 30. We have a number of things, but not enough.

The boys are finishing up their airplanes now, inasmuch as we have only two more meetings. This year we will have some nice models because the boys are being more careful and are taking more pains with them.

Don't forget the craft exhibit on August 30 — and that will be the end of craft for this summer.

LITTLE JEFF
By B. Clement

From now until school starts, the activities at Little Jeff will be of the out-of-doors nature, since the room we had is being repainted.

Football and basketball have been the most popular boys' sports this last week and paddle handball has been the most popular girls' sport.

Last Thursday Albie Figone made the sensational number of 22 basketball shots in 60 seconds to win the Little Jeff title. Albie did not do so well, however, in the city-wide tournament, taking only second in his division.

MARCHBANKS PLAYGROUND
By Glen E. Smith

The Bay excursion was enjoyed very much by the youngsters. The outing to see the '49ers practice was enjoyed by the older boys.

The Junior leaders, Betty Scott, Arlene Callan, Carol Glover, Arlene Trapp, Ronald Jennings, John Robinson, and Carl Gruenwald, plan a trip to the beach and a dinner after with Director Glen Smith.

A grand time was had by all at the Swim party at the High School pool Friday, August 18.

Many of the boys have been practicing for the Football Accuracy Throw to be held at Marchbanks Park on Friday, September 1.

LINCOLN PLAYGROUND
By Bucky Linhares

All the seafaring folk of Lincoln Park sailed the blue waters of San Francisco Bay on Wednesday of last week. The mariners left Pier 43 about 11 a.m., sailing past such sights as Golden Gate Bridge, Alcatraz, and San Francisco Bay Bridge.

On Friday of last week, the Lincolnites attended a free swim party at the High School pool. Everyone had a great time participating in the various water events such as carrying a ball on a spoon across the pool, and wading the pool carrying a lighted candle.

On Friday afternoon, Lincoln played host to the other playgrounds. The event was a basketball shooting contest. Jean Laskey took first for Lincoln on the Girls "A." Tom Costello won for the Boys "B." Angelo Casini and Frank Harze took seconds for the Boys "C" and "A," respectively.

This week, on Friday, a football accuracy throw will be held at Marchbanks at 1:30 p.m. Next week, on Wednesday, August 30, a craft exhibit and stage show will be held at the high school at 7 p.m.

Friday, September 1, will be the scene of the Recreation Jamboree at Marchbanks.

JEFFERSON HIGH
By Mary Falbo

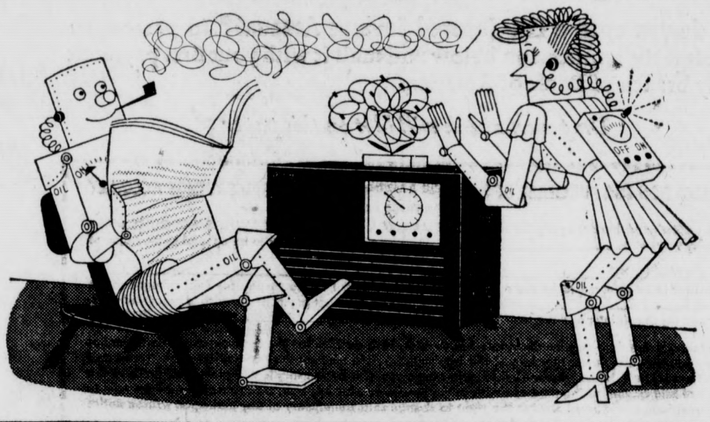
Folk Dancers

For those intermediate dancers who are interested, I would like to see you as soon as possible for an exhibition. Report to high school Monday.

Ping-pong Fiends

If any of you are interested in a ping - pong doubles tournament, contact me as soon as possible. It is not necessary to have a partner. I will find one for you. I am at the high school every day and Saturday mornings, or you can mail me a penny post card at the following address — Miss Falbo, 371 Citrus Avenue, Daly City, Calif.

"Let's go to Electrical Wonderland and see what people are doing!"

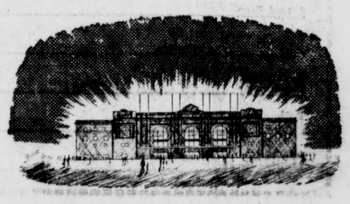


Miracle show! Greatest by far!
Come by trolley, bus or car.
See how new electronic rays
Reduce hard work in a 100 ways!
See Edison's famous talking doll!
TV broadcasts, stars and all!
Appliances with a modern flair!
Lamps that purify the air!
Doors that open by radio...
Sensational new atomic show!
Thousands of magic things to see
Come and bring the family!

Your Dealer Says: Folks, take my word, it's the greatest show of its kind on earth! Don't miss it! Plan now to visit

ELECTRICAL WONDERLAND
A mid-century exposition of electrical progress
September 23 to October 1
San Francisco Civic Auditorium

Any electrical appliance or work-saving device you see at Electrical Wonderland costs less to operate here in Northern California ... because P. G. and E. rates are among the lowest in the nation!



131-W-850 P·G·and·E· PACIFIC GAS AND ELECTRIC COMPANY

LOSS OF OIL

If an automobile engine that is equipped with a combination fuel and vacuum pump starts using an excessive amount of oil, the trouble may be a leaking gasket or a cracked diaphragm in this combination unit, says the California State Automobile Association.

The Territory of Oklahoma was opened to homesteaders on April 22, 1889, when more than 50,000 persons swarmed in to stake land claims.

One hundred feet of new beach was created at San Francisco's Aquatic Park out of sand and gravel excavated from Union Square in 1941.

$400,000 Salt Plant Planned

Work was underway this week on a new $400,000 Leslie Salt Co. plant near the port of Redwood City.

The Indeco Co., Oakland contractor on the job, will put up four large buildings, conveyors and 40 foot towers for cranes which load the salt.

Also, the project includes the construction of a wharf on Redwood Creek, opposite the Redwood City yacht harbor.

On the south side of Harbor road the firm will build eight crystalization ponds and some smaller service buildings.

Daly City Has "Great Bank Robbery" Wednes.

Staging a daring daylight robbery, an unidentified thug cracked open a Daly City bank Wednesday afternoon and escaped with his loot hours before police were notified.

A disinterested passer-by, William Jones, 49 Knowles, just happened to notice the bank had been broken into. He told his sister Mary Jones, who in turn notiifed police.

The FBI might have been called in at this point, but Officer Ed Beecher, on duty when Mary made her report, figured it was worthless calling in the government. After all, he reasoned, there wasn't enough evidence to hang the theft on anyone.

At this point Beecher disclosed that Daly City's "great bank robbery" took place behind the Sprouse Reitz store, 6400 Mission street, when an unidentified thug cracked a Pen Mutual Coin Calendar toy bank.

Police today are trying to determine who the owner of said bank was.

BAYSHORE VISITACION VALLEY

By Bernice Hendryx JUniper 4-6449

It's here! The Back-to-School Dance for adults only (that's a new twist) that the Mr. & Mrs. Club have been long planning.

Carl Alt is a member of the club, so of course he and some of the boys will provide the music. All of you dig up a fitting back-to-school outfit, and turn up Saturday night, August 26, at the administration building in the project. We like to see the club give a dance, 'cause everyone always has a good time.

Sam and Chris Imbimbo, along with their two sons, returned from a short vacation in Eureka, where they have been visiting Chris' mother. Only a week, but they had a good outing, and the year doesn't seem so long.

The S. Dalie family spent 30 days gallivanting. Covered Chicago, Springfield, Ohio, New Orleans, and the Gulf of Mexico. Don't see why they didn't charter a bus and ask the neighbors along. After all, it's only money, and we would like to make a trip ilke that too.

Speaking of the Dalies, Mildred is practically a celebrity. She has a new song that will soon be used in a Hollywood pic. She has made one trip down there at their request to talk big business, and will journey to the film capital again sometime in September. The number is a sentimental ballad, called "My World Is You." We'll look for it Mildred, and wish you all the luck there is.

A birdie tells us that Mildred has another number finished already, that sounds but very good, so we are hopeful that this is just the start of a career with a lot of possibilities.

Vacation

Bill and Doris Doggett, of 271 Rio Verde, have returned from an eight-week vacation in the east, destination, Salem, Massachusetts. Doris had a bit of rough luck though. Spent eight days in a Boston hospital. The verdict was rather vague, but it seems as though she was losing the liquids in her body faster than she could make them up. Kind of dehydration. She is feeling much better now, but still taking it easy. Better luck on your next vacation, Doris.

Little Dutch Rappenecker returned from a three-week outing in Santa Cruz. Just in time to do a bit of school shopping before going back to the third grade grind, Dutchie. They just don't make these darned summer vacations long enough for a fellow to get all his playing done.

Bernard and Mae Painchaud, of 158 Oriente, have returned from a two-week jaunt. They went up to the high Sierras, Redding, and San Luis Obispo. Caught up on family news by visiting Mae's sisters here and there along the way.

Leader Needed

The valley is badly in need of a new intermediate Girl Scout leader. Mrs. Hazel Shere is moving, and as yet, none has been found to take her place as leader. If any of you would like to find out what it is all about, call Mrs. Painchaud, at JU 4-6441. She can give you the answers. The troup is all set up and running smoothly, and the girls really need this activity. If you and you don't step forward, it will mean that the troop will have to be dropped. It won't take up too much time, and it isn't as tough a job as you may think. Give it a try anyway.

Two of our children had a bit of an unpleasant experience the other day. Seems as though young Jimmie Mills and Chuckie Weiler decided to bike over to the Marina. They made the trip, and had gotten back to Geneva avenue. Jimmie was a couple of blocks behind Chuckie, taking time out for a breather. He put on a burst of speed to cross the finish line with Chuckie, and found him lying unconscious by the road. Jimmie snapped him out of it, and got him home, where he passed out again. They took him to emergency hospital, but he apparently wasn't injured, and couldn't seem to remember what had happened. There was no indication that he had been struck, so the whole thing remains a mystery, and we hope Chuckie has snapped out of it by now.

Three of our PTA officers who were to go into office must be replaced. That is one of the headaches that is facing the first executive board meeting of PTA on September 15. Mrs. L. Ness, vice president, Mrs. H. Shere, recording secretary, and Mrs. V. Stuhl, hospitality chairman, are leaving the valley. That's a big job to do all over again, finding officers to replace them. Hope things are straightened out by the first regular PTA meeting, scheduled for September 22.

The Lynch family has company. Jimmie's two sisters, Martha J. Lynch and Mrs. Elliot Steele, arrived from Waynesboro, Tennesee, and we understand that they are here for an indefinite period.

The Breys spent two weeks in Reno and around. Ella reported that they did everything except sleep. Also, anyone in the market for a spot of roulette or a divorce, the weather up there is simply out of this world, so says Ella and Harvey Brey.

First-Day Air Mail Covers Available

Postmaster John F. Fixa today announced that on or about August 31 air mail service will be inaugurated over Segment No. 6 of route A.M.-82, from Mission-McAllen-Edinburg, Texas, via the intermediate points Alice, Corpus Christi, Beeville, Texas, to the terminal points San Antonio and Victoria, Texas.

Special cachets will be provided for Mission, McAllen, Edinburg, Alice, Corpus Christi, Beeville, San Antonio and Victoria, Texas, and the usual treatment of philatelic mail will be authorized.

First flight air mail covers sent to the postmasters at the above named office must be prepaid at the rate of 6c per ounce or fraction thereof, and single postal or post cards at 4c each. Double postal cards and double post cards intended for return reply purposes are not acceptable as first flight covers. All covers should be accompanied by a letter authorizing the holding of the covers for the first flight and requesting the application of the cachet. Epace approximately 2½ inches aby 2½ inches to the left on the address side of all covers is required for the cachet.

No provision will be made for point to point covers; however, at the request of collectors, covers receiving cachet will be given directional service only to an office designated by the General Superintendent, Postal Transportation Service, and served by the first flight in each direction, and will there be backstamped and dispatched onward to destination.

WESTLAKE WHIRL

by Marian Christians PLaza 5-0946

With the transportation problem still an item of great importance to most Westlake residents, it is heartening to know we now have regular bus service.

This service is supplied by the Ocean Shore Bus Line, and serves as a regular connection between Westlake and busses going into San Francisco.

Following is the time table for the Ocean Shore Line:

Weekdays

Leaves Westlake northbound from Sheffield drive at 9:30 and 10:45 a.m., noon, 1, 2:30 and 6:30 p.m.

Leaves southbound for Westlake from St. Francis Circle at 9:40 and 10:55 a.m., 12:10, 1:10, 2:45 and 6:45 p.m.

On **Sundays** only the bus leaving Westlake operates on a 9:30 a.m., noon and 6:30 p.m. schedule. The southbound bus is 9:40 a.m., 12:10 p.m. and 6:45 p.m.

Westlake residents recently called to active duty with the armed forces include:

Robert Martinovich, 262 N. Mayfair, who went back to "work" for the navy August 8 at Treasure Island. Still at home is Bob's wife, Madelon and his two-year-old son Paul.

Robert Rice, 146 N. Mayfair, also is now doing duty with the navy at Treasure Island. He left his wife Dorothy and daughters, Roberta, 5, and Rvonna, 7 months, August 10.

We see out of our window that Henry Doelger has started work on the first of 320 apartments on the south side of Alemany. It doesn't look like the threat of building shortages is stopping the progress of Westlake.

Highway Patrol Service Explained

It is possible for a young man in San Mateo county to take an examination for California Highway Patrol officer, leave for military service, and be appointed to a State job on his return, according to Floyd D. Granger, veterans service officer.

The State Personnel Board will accept applications for the post of State Traffic Officer until September 8, with the examination to be held in various parts of California on October 7.

At the same time, Granger warned interested young men that neither the Highway Patrol nor the Personnel Board has any connection whatever with any schools claiming the ability to prepare applicants for the traffic officer examination.

"In fact," he added, "there is a distinct danger that money paid to such schools will be wasted. Applicants who pay for the course may later discover that they could never qualify under the rigid physical standards set up for this type of State job."

Granger said that under State law a veteran whose name has been included on a certification for possible appointment to a State job may retain his place on the list while he is in service and for three years after his discharge, provided the military emergency is still in effect. There are cases on record of men who took the Highway Patrol examination in 1940, then went into service in World War II, and were appointed to jobs in 1946 and 1947.

Further information about the traffic officer examination is available from the Veterans Service Office, Courthouse, Redwood City, or from offices of the Personnel Board or the State Employment Service.

"Never before a savings plan like this!"

BANK of AMERICA Life-Insured SAVINGS ACCOUNT

Follow this plan and get free life insurance to protect your savings goal...no medical examination!

Read these questions and answers— Then start your account NOW!

How does a Bank of America Life-Insured Savings Account work? The plan provides *double protection*... you have not only a savings account in the safest of all places, the bank... but when you open your account you designate a beneficiary—wife, husband, child or anyone else—and, so long as you continue to make your payments on time, you have the extra security of life insurance protection. Set your savings goal—$100, $250, $500, $750, $1000. Save toward your goal over a period of 50 months. The amounts are shown in the chart. You'll find a plan that fits your purse.

MONTHLY PAYMENT	SAVINGS GOAL
$ 2	$ 100
5	250
10	500
15	750
20	1000

How much life insurance protection is provided? The amount of life insurance protection you have at all times your account is in good standing is the difference between your accumulated monthly payments and the savings goal you have set.

What happens if you die? Your designated surviving beneficiary receives the *full amount* of your savings goal.

What happens if you cannot complete the 50 payments? If for any reason you cannot complete the payments, the amount you have paid in, plus accrued interest but *less a nominal amount for the cost of the life insurance,* is immediately available to you.

How and when are payments made? Payments may be made in person or by mail on or before the 5th, 15th, or 25th of each month.

What happens if payments are not made on time? Your insurance protection continues for 30 days.

Who pays the insurance premium? Bank of America pays the entire cost of insurance protection, *if you complete your account.*

What interest does your account earn? Regular Bank of America savings interest.

How much does the insurance cost? If you complete your account, it costs you nothing. In case of death, it costs you nothing. If you do *not* complete your account, you pay only the cost of the insurance up to the time you allow your insurance to lapse. Insurance cost is ½ of 1% per annum on the average balance of the unpaid portion of your savings goal.

Can funds be withdrawn before reaching the savings goal? Yes. Purchaser may withdraw all or any part of the account at any time. Naturally, such action cancels the insurance protection, and its cost is charged to the account.

Who can start a Life-Insured Savings Account? Any man, woman or child in good health under the age of 46 years. *{Except children under three months of age who cannot be insured.}*

Can husband and wife each have a Life-Insured Savings Account? Yes. *Every* qualified member of the family can and *should* have an account.

How do you open a Life-Insured Savings Account? In person, or complete the application below and mail it with your first payment to any branch of Bank of America.

Use pencil as ink will blot on this paper

APPLICATION FOR PURCHASE OF BANK OF AMERICA LIFE-INSURED SAVINGS ACCOUNT
(AND SIGNATURE CARD)

I, the undersigned, hereby apply for a BANK OF AMERICA LIFE-INSURED SAVINGS ACCOUNT of the maturity value of $_____. The account is to be opened in the name of

(PLEASE PRINT) _____

(hereafter to be referred to as the Purchaser and/or Insured). I agree to pay for said account at the rate of $_____ per month for fifty months, the first payment of which is submitted herewith and the remaining payments will be due monthly commencing _____ (month) _____ (day) th, 19__.

(The monthly due date may be designated as the 5th, 15th or 25th but the commencement date can not be more than 45 days after the date of this application.) Said account shall be subject to the terms and conditions set forth in the passbook evidencing the same. If a beneficiary is designated, all funds to the credit of said account at the time of death of the Purchaser plus any insurance proceeds shall be paid to such surviving beneficiary; I reserve the right to change said beneficiary at any time upon written notice to the branch of the bank where said account is opened.

Representations for Life Insurance

The Purchaser is in good health and has never had heart trouble, tuberculosis, cancer, or other serious disease, and is not less than three (3) months and is under forty-six (46) years of age. The Purchaser does not now have any BANK OF AMERICA LIFE-INSURED SAVINGS ACCOUNT(S) in Bank of America National Trust and Savings Association, the unpaid balance(s) of which when added to the unpaid balance of this account exceed(s) $1000.00. These representations are true and shall form the basis for insurance on this contract, and such insurance shall be subject to the terms and conditions of Group Policy No. 1933L issued by the Occidental Life Insurance Company of California. Premiums for said insurance shall be paid by the bank; provided, however, if this contract is not completed, the premiums may be charged to said account.

The bank is authorized to charge the commercial account of _____ is not _____ for monthly payments.

Bank of America Now Offers LISA Plan of Saving

A distinctively new and exclusive form of savings account service, available immediately at all branches of the Bank of America, was announced today by L. M. Giannini, president of the bank.

The plan, he said, has the double design of assisting the national administration in checking the rise of inflation while furnishing a real incentive for people to get started on the road to financial substance, thus strengthening the economy.

Known as the Life Insured Savings Account, it is a plan for savings under which the saver undertakes a program of making monthly deposits ranging from $2 to $20, with a specified total goal in mind. Life insurance to guarantee achievement of the goal is provided by the bank under the terms of the new plan.

Provided deposits have been made in accordance with the plan, should the saver die after the program is undertaken, but before the goal has been reached, the entire amount of the savings goal to which he had committed himself will be paid to a beneficiary of the saver's own choice.

Thousands who have wanted financial security but have never ventured on or completed a plan to achieve it, will find this a made-to-order plan, Giannini declared.

Accounts earn Bank of America's full savings interest rate, and only where the customer drops a program before completion will he be charged the cost of the life insurance protection. This cost, it was stated, is substantially less than the interest earned by an account carried to completion.

Accounts may be opened by persons under 46 years of age. No physical examination for insurance is required, although the applicant is asked to sign a declaration as to the state of general health. Withdrawals may be made, but that, it was pointed out, would cancel the insurance feature.

"Here is a practical plan," remarked Giannini, "which provides families with immediate protection both in cash savings and insurance, while contributing substantially to the nation's economic health."

George Washington was inaugurated as first president of the United States in New York City on April 30, 1789.

ORDER TO SHOW CAUSE ON APPLICATION FOR CHANGE OF NAME OF INDIVIDUAL

No. 52337

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO

In the Matter of the Application of CURUBINO L. DI FILIPPO, also known as CURUBINO DI FILIPPO.

WHEREAS, CURUBINO L. DI FILIPPO has filed his petition with the Clerk of this Court for permission to change his name from CURUBINO L. DI FILIPPO to PHILIP DI FILIPPO;

THEREFORE, IT IS HEREBY ORDERED that all persons interested in the matter aforesaid appear in the presiding department of the Superior Court at the Court House, Redwood City, San Mateo County, California on the 11th day of September, 1950, at the hour of 10 o'clock A. M. of said day, and then and there to show cause, if any they may have, why said application for change of name should not be granted.

IT IS FURTHER ORDERED that a copy of this order to show cause be published in the Daly City Record, a newspaper of general circulation, published in the city of Daly City, County of San Mateo, State of California, for four successive weeks next preceding the date set for the hearing thereof.

DATED: The 7 day of August, 1950.

CIVIL WAR FIELD HOSPITAL, PETERSBURG, VA.—The chaos of early Civil War battlefields led to important improvements in the evacuation of the wounded and in hospitalization. These tents and sheds behind the Union trenches during the seige of Petersburg in 1864, pictured in this old photograph, provided scant comfort for sick and wounded men.

Card of Thanks

We wish to extend our heartfelt thanks and appreciation to the Daly City Fire Dept., Veteran Firemen's Association, W. C. Lasswell & Co., and all our many friends and acquaintances for their wonderful service, kind expressions of sympathy and beautiful floral offerings in our recent bereavement. Mrs. Reba Anderson and daughters

SUMMONS

No. 52108

Action brought in the Superior Court of the State of California, in and for the County of San Mateo; and the complaint filed in said County of San Mateo in the office of the Clerk of said Superior Court. IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO

DANIEL MORRISON, Plaintiff, vs. LESLEY MORRISON, Defendant.

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO:

LESLEY MORRISON, Defendant.

You are hereby required to appear in an action brought against you by the above named plaintiff, in the Superior Court of the State of California, in and for the County of San Mateo, and answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this Summons, if served within said County, if served elsewhere within thirty days.

And you are hereby notified that if you fail to so appear and answer, the plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

Witness my hand and the Seal of the Superior Court of the State of California, in and for the County of San Mateo, this 11th day of July, A.D., 1950.

SF Civil Defense Plans Advanced

The Board of Supervisors has approved legislation to institute San Francisco's program of civil defense against atomic attack, as outlined by Mayor Elmer E. Robinson.

The Board has appropriated $100,000 for use by the Civil Defense Council and its working organization, the Civil Defense Corps. Mayor Robinson has nominated retired R.Adm. Albert G. Cook to the post of director of the Corps at a salary of $10,000 a year and Board approval is expected soon.

The Supervisors also authorized the police and fire departments to enroll reserves of 800 men for each department, and at the same time added Controller Harry Ross and three Board members to the Civil Defense Council — Supervisors J. Joseph Sullivan, John J. Sullivan and James Leo Halley, all of whom have served in the armed forces.

Ordinance No. 312

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF DALY CITY DECLARING ITS INTENTION TO ABANDON CERTAIN PUBLIC EASEMENTS IN THE CITY OF DALY CITY, FIXING TIME AND PLACE OF HEARING ALL PERSONS INTERESTED IN OR OBJECTING THERETO AND REQUIRING NOTICE OF SAID PROPOSED ABANDONMENT TO BE PUBLISHED AND POSTED

The City Council of the City of Daly City does ordain as follows:

SECTION 1. Pursuant to the Public Service Easements Vacation Law, the City Council of the City of Daly City declares its intention to abandon certain public easements, hereinafter described, which said easements are all delineated on that certain may of sub-division within the city limits of the City of Daly City and known as "WEST LAKE SUBDIVISION NO. 1", map of which was recorded January 11, 1949 in Book 29 of Maps at pages 45 and 46, records of San Mateo County, California. A particular description of the easements proposed to be abandoned are as follows:

"A strip of land of the uniform width of 2 feet lying contiguous to and southerly from the northerly line of the 5 foot Public Utility Easement along the rear of Lot 22 in Block 2, as designated on the map entitled "Westlake Subdivision No. 1, Daly City, California", which map was filed in the office of the Recorder of the County of San Mateo, State of California, on January 11, 1949 in Book 29 of Maps at pages 45 and 46, and extending from the easterly line of Cliffside Drive to a point 30 feet westerly from the easterly line of said Lot 22".

SECTION 2. Monday, the 11 day of September, 1950, at the council chambers of the City of Daly City, County of San Mateo, State of California, at the hour of 8:00 o'clock P.M. is hereby fixed as the time and place of hearing all persons interested in, or objecting to, the proposed vacation.

SECTION 3. This ordinance shall be published once in the Daly City Record, a newspaper published weekly in said city of Daly City, California, and hereby designated for that purpose, and shall take effect and be in force at the expiration of thirty (30) days from and after its passage.

SECTION 4. Notice of the proposal to vacate said easements shall be posted conspicuously along the line of said easement proposed to be vacated not more than three hundred feet apart, but at least three of such notices shall be posted along each easement. Such notices shall state the passage of the ordinance of intention to vacation said easements and the time and place of hearing all persons interested in or objecting to said proposed vacation.

Introduced this 14 day of August, 1950.

Passed and adopted as an ordinance of the City of Daly City the 21st day of August, 1950, by the following vote:

Fair Manager Discusses History Of SM County Fete

San Mateo County has an investment of $750,000 in buildings and fixtures on the fair grounds in South San Mateo, which investment, free of financial encumbrance, is the result of a consistent building up of reserves by the Fair Association together with allocations from the state of building funds.

The San Mateo County Fair and Floral Fiesta was started in the depression period of 1929. This is according to William Wilson, fair manager, in a recent talk before some 100 professional gardeners at a meeting in the Fiesta building.

Wilson said that there are 74 fairs operating today in California, 70 of this number being county and district fairs while the four major shows are the state fair, the Los Angeles fair at Pomona, the 6th District agricultural fair in Los Angeles and the Livestock Exposition at the Cow Palace in South San Francisco. The state and district fairs are held in state owned buildings. The county fairs are conducted in buildings, the titles of which are vested in the respective counties, affairs being administered by the boards of supervisors and conducted through county fair associations.

The San Mateo County Fair Association, a non-profit organization, this year received $65,000 from the state as its share in the annual allocation of the pari-mutuel tax dollar, $35,000 of this sum being listed for exhibit premiums at next month's Fair and Floral Fiesta, $10,000 to help underwrite administration and maintenance costs, the remaining sum being retained in the Fair Association's state fund account to further improve facilities on the fair grounds.

Because the Fiesta building can accommodate up to 10,000 people, it may have more extensive use, now that permanent utilities are being used by both civic and commercial organizations.

Garden clubs may have the use of the Fiesta building through the San Mateo County Garden Center which is to be formally organized in October. The motto of this organization is, "To create a better, happier and more beautiful county through sharing garden inspiration and knowledge . . . to perform a public service by offering lectures, study classes, a library, bulletins, demonstrations, clinics of inspiration, displays, seasonal flower shows, garden clubs and garden tours, and to secure active participation of member clubs in the San Mateo County Fair and Floral Fiesta."

Ordinance No. 313

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF DALY CITY DECLARING ITS INTENTION TO VACATE A PUBLIC STREET AND FIXING TIME AND PLACE OF HEARING ALL PERSONS INTERESTED IN OR OBJECTING TO SUCH PROPOSED VACATION AND REQUIRING NOTICE OF SAID PROPOSED VACATION TO BE PUBLISHED AND POSTED

The City Council of the City of Daly City does ordain as follows:

SECTION 1. Pursuant to the State Vacation Act of 1941 as amended, the City Council of the City of Daly City declares its intention to vacate a certain public street, hereinafter described. Particular description is as follows:

"All of Crestwood Drive as shown and delineated on a map entitled 'Westlake Subdivision No. 3' map of which was recorded on June 11, 1949, in Book 29 of Maps at Pages 45 and 46, Records of San Mateo County, California".

B. C. ROSS
City Clerk of the City of Daly City
(Publish August 24, 31, 1950.)

Reference is hereby made to map on file in the Office of the City Clerk for particulars as to the proposed vacation.

SECTION 2. Monday, the 11th day of September, 1950, at the Council Chambers of the City of Daly City, County of San Mateo, State of California, at the hour of 8:00 o'clock P.M. is hereby fixed as the time and place of hearing all persons interested in, or objecting to, the proposed vacation.

SECTION 3. This ordinance shall be published once in the Daly City Record, a newspaper published weekly in said City of Daly City, California, and hereby designated for that purpose, and shall take effect and be in force at the expiration of thirty (30) days from and after its passage.

SECTION 4. Notice of the proposal to vacate said street shall be posted conspicuously along the line of said street proposed to be vacated not more than three hundred feet apart, but at least three of such notices shall be posted along each street. Such notices shall state the passage of the ordinance of intention to vacation said street and the time and place of hearing all persons interested in or objecting to said proposed vacation.

George W. Flook

George Walter Flook passed away at his home at 623 San Diego avenue, Daly City, August 19 at about 11 p.m.

Flook was born in Cass county, Missouri, on December 4, 1870. He was married to Eliza Twyman on October 19, 1898, at Garden City, Missouri. They made their home on a farm near there until the year 1903, when they moved to Montana. They resided in and near Lewistown, Montana, for nearly half a century. He served as State representative for two terms; was active in farm organizations, and an active member of the Methodist church.

On December 4, 1945, he and his wife moved to Daly City.

Flook's passing was the culmination of a prolonged illness due to a heart ailment.

He is survived by his wife, Eliza Flook; two sons, Walter D. Flook of Beverly, Massachusetts, and Jacob L. Flook of Missoula, Montana; two daughters, Mrs. W. F. Cruickshank of Kelseyville, California, and Mrs. Stanford Hannah of Daly City; also three granddaughters, three grandsons, two great-granddaughters and one great-grandson.

Services were held at Lasswell's Funeral Home on Wednesday at 10:30 a.m. Interment was at Mt. Olivet Cemetery.

EASY DOES IT

Take it easy and take it safely when you drive, advises the California State Automobile Association. That means easy on the starts, easy on the gas accelerator when you are under way, and easy on the stops.

SOFTBALL LEAGUE

Four Teams To Be In Playoffs; Winner To Be Announced Tuesday

By Erle Johnson

Last night, August 24, the Mid-City Market played the Amazon Athletic Club and the Daly City Hardware played the Colma Fire Department in the semi-finals of the Recreation Department's summer softball league.

The four teams ended the regular season in a four-way tie so this necessitated a playoff. The winners of the above-mentioned games will meet again at the Jefferson High school on Tuesday night at 6:30 p.m. to play in the final game of the summer.

The winner of this game will be declared the Daly City Softball champions for 1950 and each player will be presented with an individual trophy.

The results of the games will be available in the next edition of this paper.

The way things look now it could be anybody's championship, because all four of these teams are capable of winning. The Amazon team has looked terrific at times but they have lost two games in regular play; however, they have one of the best pitchers in the league and may be the team to beat.

The Colma Fire Department looked good in their recent win over the Phil Lynch team and Lou Nannini is not to be forgotten in the pitching role that should decide who will wear the crown. Underwood has pitched some very good games this season for the D. C. Hardware, so-o-o-o-o — your guess is as good as mine.

Here's Where To Catch 'Em

The sport fishermen renting a spot on one of the 270 party boats operating off the California coast in June had a 50 times greater chance of landing an albacore than last year, the Division of Fish and Game reveals.

The odds for hooking salmon and white sea bass also went up during the month. Operators of party fishing boats reported the catch of 15,540 white sea bass, 1,700 albacore, and 8,600 salmon. A total of 30 albacore and 4,760 sea bass were taken in June, 1949.

By ports, the following catches were reported for the 30-day period:

Eureka-Princeton — 2,436 anglers caught 19,460 rockfish, 890 ling cod, 420 sole, sand dabs, flounders, 190 cabezone, 80 salmon, 490 other species;

Monterey Bay — 3,072 anglers caught 26,580 rockfish, 1,100 sole, sand dabs, flounders, 830 ling cod, 400 sablefish, 340 cabezone, 4,280 others.

Morro Bay - Avila — 2,860 anglers caught 11,990 rockfish, 920 ling cod, 900 cabezone, 470 sole, sand dabs, flounders, 110 other species;

Santa Barbara - Port Hueneme —1,400 anglers caught 4,290 kelp and sand bass, 2,460 rockfish, 140 halibut, 130 sole, sand dabs, flounders, 360 other species;

Santa Monica Bay — 11,084 anglers caught 15,880 kelp and sand bass, 13,650 rockfish, 7,090 halibut, 9,450 other species;

Los Angeles Harbor — 28,464 anglers caught 36,000 kelp and sand bass, 35,840 barracuda, 13,790 white sea bass, 7,290 sculpin, 2,510 mackerel, 2,020 halibut, 320 albacore, 4,940 other species;

Newport—13,952 anglers caught 26,930 kelp and sand bass, 8,220 barracuda, 1,630 halibut, 1,310 mackerel, 1,000 albacore, 990 white sea bass, 2,400 other species;

San Clemente - Occanside—7,092 anglers caught 33,560 kelp and sand bass, 9,400 barracuda, 4,320 mackerel, 3,370 halibut, 1,550 other species;

San Diego — 6,616 anglers caught 9,020 kelp and sand bass, 7,670 barracuda, 2,620 yellowtail, 380 albacore, 1,330 other species.

Suicide Attemptee Given 50-50 Chance For Recovery Today

Despondent and worried, a Daly City woman last Sunday afternoon attempted suicide by putting a bullet through her brain, police report today.

Fortunately the shot missed her brain by inches, and Mrs. Stella Smith, 52, 51 Evergreen, is given a 50-50 chance of recovery today, Community hospital authorities report.

The attempted suicide took place a few minutes after 3:30 p. m. Sunday. Mrs. Smith went to her bedroom, lay down on the bed, placed a .32 calibre revolver a few inches above her right ear and fired, police said.

Her husband, a construction electrician, was working out in the backyard when he heard the shot. He rushed into the bedroom, saw his wife and picked up the revolver before calling police.

Rushed to Junipero Serra Hospital, Mrs. Smith was given emergency treatment and then was transferred to Community hospital.

Following a brief questioning of Mr. Smith, Officer Henry Sunderman said "all evidence points to attempted suicide."

Smith reported his wife has "been worrying" about various things over the past few months. He could give no other explanation for his wife's action.

Doves Soon To Be Fair Game

Doves will be added to the list of legal hunting targets in California at noon, Friday, September 1.

The open hunting season ends September 30. A special 15-day season for the taking of whitewings in Imperial county ends September 15.

Except for the September 1 opening, shooting begins at one-half hour before sunrise. Sunset is the hunting deadline for the duration of both seasons.

Regulations set by State and Federal agencies include the prohibition of repeating shotguns capable of holding more than three shells. Daily bag and possession limits are 10 doves of any species.

Marie's Place Drops Game 7-3 To Marin All-Stars

By Angelo Craviatto

Marie's Place dropped its second game in a row last Sunday at Funston. The Marin City All-Stars, who have captured 22 out of the last 24 games, were never headed from the start. Marie's nine were in an up-hill fight all the way. The All-Stars collected twelve hits to Marie's six.

Canepa received his second setback in as many Sundays. This gives him a record of three wins and two losses.

The question now is can the boys snap out of it. They dropped two of their last three games. The biggest cause for their defeats has been lack of hustle when the score board reads 1-0 against them. Hustle on a ball is fifty per cent of the victory, the other half being playing ability. But this Sunday may prove a different story. After their second defeat in a row the boys looked determined, the look in their eyes said, "That's enough of that."

Until next week I'll see you at 6005 Mission street.

By the end of June, 1950, a total of 2,125,541 veterans had obtained GI loans aggregating more than $11.5 billion. Nine out of ten of the veterans secured home loans.

FISH AND GAME NOTES

by Jimmy Fox

The Junior Sportsmen of the Daly City Rod and Gun Club held their election of officers last meeting.

Elected to serve were: Glen Brouillette, president; Bill Evans, vice-president; George Johnson, secretary; Jim Galindo, treasurer, and Fred Bertetta, sergeant-at-arms.

The boys all are anxious to get started with a few activities such as archery, rifle shooting and casting. The next meeting, which will be Wednesday, September 6, they will have some archery information passed on to them by Glen Brouillette, who is already well acquainted with the subject.

The boys were shown the Fish and Game movie "Tips on Trapping" and they enjoyed it very much. Movies will be on their schedule about once a month at the regular meetings.

There were some fine prizes donated to the club and the lucky Juniors were Richard Juisti, who won an official league softball, Glen Brouillette won 10 pounds of fishing sinkers, Wayne Flansberg won a Dave Davis lake trolling spoon, Eddie Larson, Richard Barnes and Ken Gottwald all won 50 rounds of .22 rifle ammunition, and Fred Bertetta won a salmon leader.

Now Is Your Chance To Match Wits With Sage Hens

So you want to go sage hen hunting?

One of your few chances to match wits with the native California brand of grouse will come September 1 and 2. After careful study, the Fish and Game Commission this year set the first open hunting season since 1944.

Gunning will be legal in Mono county only. A small posted area near Crowley Lake will be out of bounds for hunters. Bag and possession limits are two hens a day and two for the season.

Shooting hours begin one-half hour before sunrise and end one-half hour after sunset each day. Consensus of the old timers is that the best hunting time is early morning, when the birds come out to feed and sun themselves.

Equipped with a hunting license, legal shotgun, and lots of optimism, the sage hen hunter will stalk his quarry on the rough plains and semi-desert area typical of the eastern slope of the Sierra.

In this scenic, high elevation country bordering Nevada, the gray-brown "cock of the plains" has increased sufficiently for an open hunting season, in spite of hazards presented by predatory animals, encroachment by man, and the apparent helplessness of the bird itself.

Game managers point out that populations of the "fowl of the sage brush" vary up and down and in cycles. The question of an open hunting season, therefore, must be determined locally on a year-by-year basis.

Greatest hindrance to sage hen management is their limited range. With the most specialized digestive system of all game birds, the sage hen has no gizzard and cannot handle many of the foods eaten by other birds. For at least part of its diet, the sage hen must eat some species of sage.

Another reason for their failure to increase rapidly is their persistence in returning each night to the same roost — becoming a pushover for predatory animals.

Original habitat of the "sage cock" in California was northeastern Siskiyou county, northern Modoc county, south along the eastern slope of the Sierra Nevada mountains through Lassen, Sierra, Alpine, Mono, and northern Inyo counties. This is generally the range of the birds today, although some of the flocks are not large enough for an open hunting season.

The California sage hen is the nation's largest member of the grouse family. Males often weigh as much as eight or nine pounds, while the hens reach a maximum of five pounds.

The reward for your sage hen hunting labor — and labor it will be unless you know where the birds are located — is a tasty meal or two and possibly a mounted specimen of what the University of California has termed "the greatest of all native California game birds."

Water-Skiiers To Perform At Derby

Water-skiiers, many of them Pacific Coast titleholders, and expert fly-casters will provide some of the thrilling water carnival features of the 1950 Shark Derby, only shark fishing competition in the United States, which will be staged off Coyote Point, San Mateo, on Sunday, September 17.

Bud Krohn, program chairman, announced today that both the famed Coyote Point and Arte De Agua skiing groups, members of the American Water Ski Association, have again been invited to participate this year.

Among their unusual stunts are backward skiing, skiing over and under jumps, clown acts, single skiing, dropping one ski and picking it up at full speed, skiing on ordinary wooden boards, skiing backwards followed by a 180 degree turn-around, and group comedy jumps.

Other colorful events include the only appearance in the Bay Area of King Neptune, accompanied by lovely "nymph" daughters, who will rise out of the waters off Coyote Point on the day of the fishing competition and crown the winners, awarding them more than $1500 in prizes.

The Derby, which is co-sponsored by the Coyote Point Yacht Club and the San Mateo Lions Club each year, will start at 8 a.m. and end at 3 p.m. on Sunday, September 17. Anyone may enter, registration is free, and all contestants will be assigned numbers when they appear at Coyote Point. No previous registration is required.

Fresh bait, fishing rods and licenses will be available at Coyote Point. Entrants are required to provide their own boats. Fish may be caught anywhere in San Francisco Bay, from boats, docks, or from the shore.

SPORTS

Sarto AC, Sarto's Finish Week End With Three Wins

Making a clean sweep, the two Sarto teams scored victories in three games played last week.

Grant Butcher went down before the pitching of Tito Sarto last Thursday, for a 7 to 3 win for Sarto's. Young Sarto allowed but two hits, and the Butcher runs were, but for one, all unearned.

Sunday, Sarto's again won a game, this time downing Horsetrader Ed 7 to 6. Quinones was on the mound for Sarto's, and allowed 14 hits.

Sarto A.C. scored a close win over the 12 Mile House Sunday, 6 to 5. Babe Ottonello pitched, allowing seven hits.

This Sunday at 2 p.m. Sarto A.C. will meet Les Vogel at Marchbanks.

Gelsi's Drop Sunday Game, But Future Is Bright

Bad luck and a sprained ankle jinxed the game for Gelsi's Cavern last Sunday, as they lost to the San Francisco police 6 to 13.

The Daly City team was well ahead, top of the sixth, when center fielder Ernie Domecus attempted to scoop up a ball. He slipped and fractured his ankle.

That was the beginning of the end for Gelsi's. In the next innings the local boys committed two errors while the SF Police had the bases loaded. Net result was a complete defeat for Gelsi's.

However, within the next few weeks things should be looking up for the team. Neil Pezzola, first baseman who has been out with a bad ankle, is expected to return to the field this Sunday when Gelsi's play a San Bruno team in that city at 2 p. m.

Also in three or four weeks, three of the boys who have been playing in the leagues will return to Daly City. They are: Fred Fazzio, Pioneer league; Lewis Valetta of the Far Western League; and Frank Newman, Texas league.

These players, plus an additional two from other leagues should bring Gelsi's up to full strength.

Only One Small Grass Fire Reported Saturday

Only one small grass fire was reported in Daly City over the week end.

Three companies brought a fire at Frankfort and Oliver under control at 1:45 p.m. Saturday.

Other than burning off a few feet of dried grass, there was no damage, firemen report.

The number of disabled veterans receiving compensation and pension payments from Veterans Administration rose three per cent during the fiscal year ending June 30, 1950, going from 2,313,545 on June 30, 1949, to 2,368,238 a year later.

Local Youths Entertain Vets At Letterman Hospt.

Monday night the Daly City Boys Club and the Recreation Department combined forces and met with the San Francisco Boys Club in a boxing show at the Presidio.

Although lacking in experience the local kids put up a fine showing and won three out of eight bouts. The bouts were given to entertain the crippled soldiers at the Presidio and those who could not see the bouts personally were able to hear them over the radio. All of the bouts were broadcast by the local station on the base. After the bouts the boxers got a taste of army chow at one of the mess halls as a token of the army's appreciation for their efforts.

Frank Bria, director of the Boys Club and Erle Johnson, supervisor of recreation, took the boys down to the S. F. Boys Club where they were met by an army bus and transported out to the Presidio. After a physical examination by an army doctor, the boys paired off and the action began.

Laurence Kennedy, who incidentally took some of the boys down, acted as one of the judges along with Erle Johnson and one of the soldiers. Frank Bria seconded for the boys and did a fine job in getting them ready for the bouts this past week up at the Boys Club.

Carmen Bria was the first local victor having won over Jerry Smith with his whirl-wind attack. Dick Kallinin won over Roger Nicols after Billy Ribiero defeated Frank Bria Jr. Freddie Bertetta next won over Billy Olagstead to end the victories for Daly City.

In the other bouts of the evening Danny Finesca decisioned Jerry Kennedy; Frank Olagstead won over Kenny Klees; Phillip Laine and Larry Kennedy bumped heads in their bout and it was called in the second round; and in the last bout of the show Conrad Garcia won the bout from Donald Rossi after Rossi put up a good account of himself and won the cheers of the soldiers for his efforts.

Lala Huntsman made the trip but his opponent did not show up and Ronnie Kalinin lost his bout to the Doctor because of a slight fever.

Hunter And Trapper Jobs Now Open In California

An announcement by the Division of Fish and Game through the State Personnel Board of a statewide examination for positions as Hunter and Trapper represents a real opportunity for the man desiring work in the outdoors.

Listed as one of California state civil service unusual jobs, recruitment representatives of the Personnel board advise that for many, the hunter and trapper posts may mean being paid to do work now enjoyed only as a hobby and at intervals of holidays and week ends.

Salary range for these jobs to be at localities throughout the State is $210 through progressive merit increases to a maximum of $255 monthly.

Applications are being accepted by State Personnel Board offices in Sacramento, San Francisco, and Los Angeles until September 9.

The jobs require men who have had one year of experience in hunting and trapping of predatory animals and at least completion of the eighth grade.

In addition, candidates should have a wide knowledge of the predatory animals of California and of their life history and food habits. Also knowledge of the diseases and parasites affecting domestic animals that may be carried or transmited by predatory animals.

Although application will be accepted until September 9, recruitment representative urge interested and qualified individuals to file early. Form for filing may be secured at Board offices at 1015 L street, Sacramento; 305 State Building, Los Angeles; and 107 State Building, San Francisco.

Sunday Games

10 a. m. Daly City Red Sox vs. Lucia All Stars at Marchbanks Park.

Noon:

Sarto's vs. Haight-Fillmore Merchants at Marchbanks Park.

Marie's Place vs. Verdi Club at Funston No. 2.

TOURNAMENT EVENTS

Football Throw Scheduled This Friday; Swimming Party Enjoyed By 100 Children

By Erle Johnson

Last Friday Lincoln Playground acted as host for the All-City Basket Shooting Tournament.

This was the next to last tournament for the present summer program sponsored by the Daly City Recreation Department. This week the last of the series of tournaments will be held at Marchbanks Park Friday and will be a football throw for accuracy tournament. The tournament will start at 2 p.m.

In the Basket Shooting Tournament the following boys and girls were the winners. Boys 14 years and over: D. Caferatta (MB), E. Hartje (L), L. Monson (HS), Hutchinson (C).

Girls 14 years and over: J. Laskey (L), B. Scott (MB), Quint (C).

Boys 12 and 13 years: T. Costello (L), R. Duncan (HS), A. Figone (LJ), and B. Grubb (MB).

Girls 13 and under: A. Trapp (MB), K. Rather (C), A. Callan (MB).

Boys 11 years and under: R. Cryer (MB), A. Casini (L), J. Ordonez (LJ), and B. Edmund (C).

The above names are listed according to the place the person placed in the tournament. The object of the tournament was to see how many baskets could be made in one minute. Jeanne Laskey was high in the girls division, making 23 baskets in one minute, and Dave Caferatta Jr. made 32 to top all of the male contestants.

Swim Party

Last Friday close to 100 Daly City youngsters enjoyed themselves at the annual swimming party sponsored by the Recreation Department.

The party featured recreational swimming along with numerous races and contests. The non-swimmers even had a big time with various selected races and relays which were held in the shallow end of the pool.

The Recreation Department wants to take this opportunity to thank the Superintendent and School Board of the Jefferson High school for the use of their facilities. We in Daly City are indeed fortunate to have one of the best natatoriums in the State to swim in and if you have not been taking advantage of its facilities you have been missing out on some good swimming.

The following youngsters were the winners in the events that follow: 25-yard free style, Jim Galindo, Donna Shulda, Fred Bertetta Jr. and Karin Savage; underwater swim for distance, Herb Frost, Donna Shulda, Ross Benavides and Kitty Rather; ping-pong ball relay (Mixed "A" class) Donna Shulda, Marilyn Toole, Jim Galindo and Lenny Monson, ("B" class) Larry Kennedy, Dick Kalinin, Billy Willoweres and Billy Bricker; comic dives, Arlene Trapp and Donald Rossi.

In the non-swimmers events the following won in their respective events: walking race, Ronnie Davis and Carol Quint; candle race Gene Whinnen and Sandra Faulk; breath holding contest, Ronnie Bell and Beverly Bell.

In the mixed diving for objects contest, the girls were the winners having recovered six pucks to the boys' five.

Jim Galindo and Herbie Frost were the outstanding swimmers in the boys division and Donna Shulda in the girls division. Galindo and Shulda are local products and learned how to swim here in Daly City while Frost is from Hawaii and literally swims like a fish.

We would like to list all of the names of the other boys and girls that came to the swimming party, but space is at a premium and we find it impossible at this time to do so; however, we hope you all had fun and maybe next year your name will appear in the winners column.

Ralph's Cleaners Nine Enter Two Softball Leagues

Now that summer softball is almost over, Ralph's Cleaners nine will enter two runoff tournaments this week.

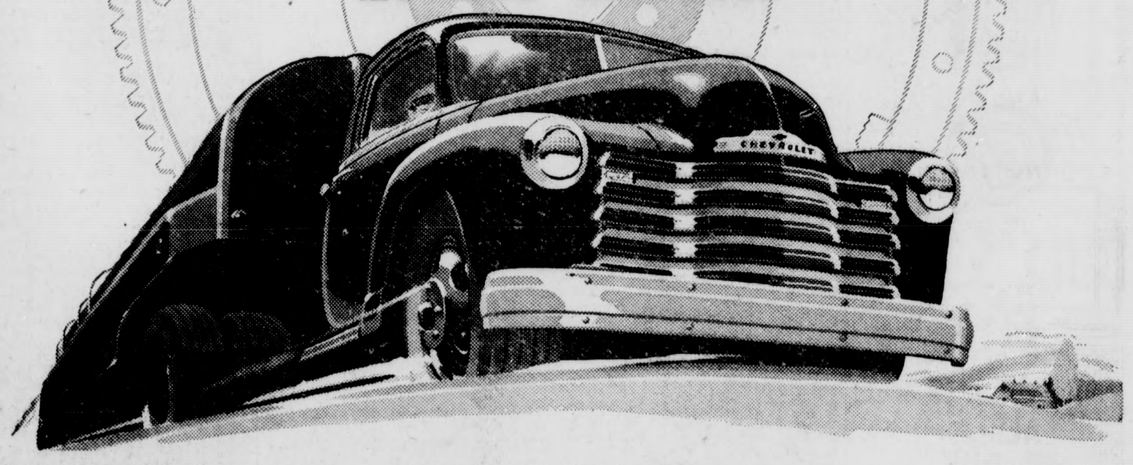
The first is the Northern California State Tournament, made up of the 16 top softball teams in this area. Each team plays until they have lost two games, then they are automatically dropped out of the running.

Ralph's nine will play their first game in this league tonight, August 24, at the San Mateo Fitzgerald field at 9 o'clock. They will take on last year's league champs, San Jose's Western Sand and Gravel.

No schedule is yet available for the South San Francisco Annual Invitation Tournament, but Rauph's is expected to play their first game in this league next week. The 30 teams in the league may lose only one game before they are dropped.

CHEVROLET

CHEVROLET TRUCKS deliver more horsepower at the clutch*



Net horsepower . . . the power you use, the power *delivered at the clutch* . . . is the true measuring stick of a truck's ability to haul payloads. And for net horsepower, Chevrolet heavy-duty trucks with Loadmaster engine have no equal among the five most popular standard equipped makes in their weight class—13,000 to 16,000 lbs. G.V.W.; Chevrolet heavy-duty trucks lead them all! Compare the facts! Check the serial plates of all other popular makes for proof. And remember—*it's the power at the clutch that counts!* Come in and let us tell you the full story of Chevrolet's truck leadership.

*Proved by certified ratings on engines used as standard equipment in conventional models of the five most popular makes.

Featuring: TWO GREAT VALVE-IN-HEAD ENGINES • THE NEW POWER-JET CARBURETOR • DIAPHRAGM SPRING CLUTCH • SYNCHRO-MESH TRANSMISSIONS • HYPOID REAR AXLES • DOUBLE-ARTICULATED BRAKES • ADVANCE-DESIGN STYLING • BALL-TYPE STEERING

Send Your Books To Sea --- Merchant Seamen Need Them

Send your idle books to sea.

That is the request today of the Daly City Library and the American Merchant Marine Library Association, both of which have called for books to be sent to merchant seamen.

Purpose of this current drive is to place a library on every merchant ship, troop transport and oil tanker.

Any book you have read and enjoyed will be appreciated, for reading helps to lessen the lonely hours at sea. The books you send to the Merchant Marine will be read until they are worn out.

Preferred books include: current best sellers of fiction and non fiction, westerns, mysteries, poetry, biography, travel, science and classics of all kind.

Deposit your books, marked "For American Merchant Marine Library Association," at the Daly City Library, or phone GArfield 1-8965 if you have a large number of books to be called for by the American Merchant Marine Library's pick-up truck.

Visiting Nursing Assn. Fund Drive Opens This Week

The Visiting Nursing Association fund raising drive which will extend over a three-week period of extensive campaign starting this week will be headed by Mayor Daniel J. Creedon of San Mateo.

In accepting the chairmanship of the drive which seeks to raise 25,000 to aid in the county visiting nursing program, Creedon stated that it was "vital" that the professional staff of the nurses group be maintained at its present efficient level.

"County residents should realize," Creedon said, "that the visiting nursing association is for their use and is an important local service which helps citizens through illnesses by providing a year-round bedside visit nursing program.

"Naturally," Creedon said, "because home visit charges are kept at a minimum and because the nursing group must offer their services to those who can only make part payments, there is an additional expense over and above income from pay patients which must be met."

"It is this subsidy fund of $25,000," the mayor stated, "which must be raised during the next 21 days of the drive to support the nursing service next year."

"Donations," Creedon said, "can be mailed to the Visiting Nursing Association headquarters at 1449 Bellevue avenue, Burlingame.

Mrs. George V. Kulchar, president of the association, said that the 1950-51 drive was officially underway this week with the appearance of posters and counter coin cans in business establishments throughout the county area.

Over 2,500 special appeal letters are being mailed out containing "pledge cards" which permit donors to make quarterly payments to the visiting nursing fund.

Mrs. Kulchar said that an army of volunteer workers will begin making contacts in a number of peninsula neighborhoods for donations.

SALMON FISHING

Ocean salmon fishing is reported by the National Automobile Club as being very good at Trinidad and better than fair on Humboldt Bay.

STEELHEAD

Some steelhead are being taken from Blue Creek, Humboldt county, declares the National Automobile Club. Fishing in the Klamath is only fair.

A total of 967 paralyzed veterans received Veterans Administration grants totaling more than $9,000,000 for the purpose of buying or building homes specially designed for wheelchair living, a VA report as of June 30, 1950, revealed.

STRIPED BASS

Large striped bass are being taken in the Vallejo, Carquinez Straits area, declares the National Automobile Club, with fish running up to 20 pounds.

Since 1856 a combined city-county form of government has existed in San Francisco.

DEER PROSPECTS

Hunters in the county of Riverside are encouraged by the report of the National Automobile Club that the deer are in good shape with more legal bucks seen in the Barton flats area than last year.

The State of Washington had a population of 11,594 in 1860.

County Residents Make $372,000,000

San Mateo county's civilian residents had individual incomes totaling $372,610,000 in 1949, the California State Chamber of Commerce research department revealed today.

This represented a gain of .4 per cent from the 1948 mark, and 287 per cent above the 1940 total. All income figures approximate personal net income before tax payments.

Income from wages and salaries reached $256,517,000 while property income reached $50,678,000 last year. Dividends, interest, net rentals and royalties and other property incomes accounted for $46,902,000.

SACRAMENTO BASS

Some nice striped bass are reported by the National Automobile Club as being taken in the vicinity of Isleton on the Sacramento river. Small, running about three or four pounds, the bass are providing sport to the anglers.

Trout fishing is reported by the National Automobile Club as picking up on the riffles of the Russian river, in Sonoma county.

Clear Lake is the largest body of water lying wholly within California.

Lode gold production of Amador county has been second only to that of Nevada county.

Watch That Speed In Urban Areas

With traffic in California at the midsummer peak, Commissioner Clifford E. Peterson of the California Highway Patrol, today urged motorists to exert extra care whether driving in urban or rural areas.

"Traffic congestion and accidents tend to rise together," he pointed out. "Danger increases with every car added to the highways. Motorists from other states are swarming into California by the thousands this time of the year."

However, accidents need not mount if every driver will be extra careful, the commissioner stated. He listed four rules for safe and pleasant motoring. They are:

1. Keep down your speed.
2. Obey all traffic signs and signals.
3. Before attempting to pass another vehicle, make sure you have ample visibility and clearance ahead.
4. Make certain your car is sound mechanically.

Newspaper Ads Mark Price Rises

Of the hundreds of rare historic newspapers on display at the Centennial Exposition of California Journalism, now open to the public in San Diego, two full page grocery advertisements only 19 years old are attracting major attention from the women visitors.

In these ads of November 1931 the ladies find their choice of "Genuine Steer Beef Steaks" at 24 cents a pound; Lamb or Pork chops for 22½ cents per pound; a pound of sugar cured Eastern Bacon for 27½ cents; Leg of Lamb 21 cents; Loin Pork roast for 17½ cents a pound; and shortening at 7 cents the pound, all at one store.

A rival store offers potatoes for 1 cent per pound; one bunch each of turnips, beets and celery all for a nickel; your choice of beef roasts for 15 cents a pound, with the remark "none over, some for less"; Beef or Lamb stew, or fresh ground Hamburger for a dime a pound; Pork and Lamb chops for only 15 cents the pound; Bacon 20 cents; and bread for six cents a loaf.

In the canned goods department both stores are offering such bargains as: Tuna 14 cents; sliced Pineapple, large can, 12½ cents; pink Salmon, 9 cents; Oleomargarine two pounds, 19 cents; and, shades of the prohibition days, bottle caps for 17 cents per gross, and Malt Syrup for 43 cents a can.

State Patrol Has A Job For You

If you are between 21 and 35 years old, have a high school education or its equivalent and can meet certain physical standards, you may qualify for a job as state traffic officer, the California Highway Patrol announced.

The need is urgent and the position is under state civil service, it was said. Many highway patrolmen are being lost to the armed forces and the Patrol is endeavoring to build up a list of eligible candidates.

Final date for filing applications is September 8. They may be obtained at any local department of employment office or the state personnel board's offices in Sacramento, Los Angeles and San Francisco. A written examination will be held October 7 at places to be announced.

A small, little known group of Havasupai Indians resides in the bottom of Cataract Canyon in the Grand Canyon.

To Keep Your Car Keep It Locked

That sleek car of yours is mighty pretty. You wouldn't want to lose it.

Then lock it up when you leave it, the California Highway Patrol admonished today.

Pointing out that the majority of cars stolen are those easiest to take, the Patrol's stolen vehicle detail appealed to motorists to lock their cars even when parking them for a minute or two.

Leaving the key in the ignition is an invitation to waiting car thieves, the warning said, adding that at least two-thirds of the thefts would never occur if the owners would take the simple and elemental precaution of removing the key.

There are three classes of automobile thieves, according to the Patrol.

They are the so-called joyriders, those seeking quick transportation, and the commercial operators. The majority of the 1,500 cars reported stolen monthly are taken by the first two classes, youths who usually abandon the vehicles after a few hours.

The commercial thieves operate for keeps, it was said. They look for certain makes and models. Often those cars are never seen again.

However, most stolen cars are eventually recovered, the reports show, and more than 50 per cent of the thieves are apprehended.

Color To Highlight SM County Fair

A riot of color will greet visitors at the fair grounds on 25th avenue, San Mateo when the 16th annual Fair and Floral Fiesta opens on September 8, according to Jack Gibson, landscape architect.

The permanent improvements on the grounds, started last month, today are well advanced with landscaping completed and showing color.

Three tall electroliers set between the entrance gates and the east end of the Fiesta building are based in circles of 30-foot diameters. These circles are permanently planted with evergreen shrubs and bordered with 8,000 pansy, petunia and marigold plants. The entrance gate is flanked with new and permanent planting areas. Extending along to outer fence, protected with a nine-foot wind-break, will be the exhibits of landscaping by professional groups while along the fence enclosing the automobile show will be exhibits of the garden clubs and other organizations competing for amateur awards.

The fairyland theme has been terrific, and many of the entry lists have been closed among both amateur and professional groups.

Workmen are busy today surfacing 150,000 square feet embracing the area between the Fiesta and the Pacific buildings and from the new entrance gates to the east entrance of the fiesta building. All which is not paved will be utilized as a planting area.

Also now under construction is the new entrance arch with ticket booths and turnstiles, the pillars to be aglow with powerful lighting at night and with streamers waving to greet new arrivals.

P. G. & E. To Build Aditional New State Power Plants

Anticipating a continuation of the rapid growth of power requirements in northern and central California, Pacific Gas and Electric Company today announced it is extending its construction program into 1952 and 1953.

The Company has just ordered three new 100,000 Kilowatt steam-electric generating units to be installed within three years. In making this announcement, N. R. Sutherland, P. G. and E. vice-president and general manager, said: "The total capacity of the new units will equal that originally planned for either the mammoth Moss Landing or Contra Costa steam plant, the largest installations on the Company's system.

"The steam units now ordered," Sutherland said, "will add 402,000 horsepower to the P. G. and E. system at a cost of approximately $50,000,000. They will be installed in the Moss Landing or Contra Costa plants, or both. Two units will be ready for service late in 1952 and the third early in 1953."

Mr. Sutherland said the new capacity and investment are over and above the Company's sixyear, $800,000,000 postwar expansion program which is adding 1,826,400 horsepower to P. G. and E.'s generating capacity.

Two other additions to the Company's six-year program were announced a short time ago. They are an $11,000,000 Bear River development, upon which preliminary work is under way, and the $73,000,000 Kings River project, which is awaiting final approval of the Federal Power Commission. These projects and the new steam units together will give the area another 820,000 horsepower and bring the total postwar plant additions up to 2,646,400 horsepower. The P. G. and E.'s total expansion investment since the war will be raised to about one billion dollars.

Happy Birthdays!

Harry, the "happy baker," wishes the following local residents the best of everything on their coming birthdays:

August 25: Astrid Peterson, 516 Arch street; Bonnie Maffei Jr., 296 Station; Mrs. Eugene Laugenour, 107 Village lane; Doris Jouglard, 743 Polk street.

August 26: Milan J. Stanley, 343 Citrus; Alfred Hornick, 15 First street.

August 27: Amalia Calderon, 158 Los Olivos; Carol A. Bernardini, Rt. 1, Box 136, Colma; Sharon Bloom, 75 W. Cavour.

August 28: Maurice Creevon, 169 Moltke.

August 29: Gene Sullivan, 123 Garden lane; J. Poole, Box 372, Colma.

August 30: Velma Rossi, 73 First avenue.

August 31: Joey D. Hopper, 174 Werner; Frank Specht Jr., 64 Guadalupe; Stanly Davis, 201 Citrus; Betty Jane Bjorklund, Box 254, Rt. 1, Colma.

TROUT HITTING

Fishing is still slow in western Nevada county although Feely Lake is producing some nice fish. Anglers working the Rock Bound Lake in Sterling area and Buzzards Roost Lakes are reported by the National Automobile Club as producing some nice catches.

For every 243 hunting and fishing license buyers, one violator is arrested and pays a fine averaging $42.

THE LAW SAYS "DON'T"

Tourists, traffic officials have found, have a sad way of ignoring the fact that even unoccupied safety zones are not to be entered by motor vehicles, declares the National Automobile Club. The standard regulation on the subject throughout the country specifies that such zones shall be treated as sacrosanct regardless of whether they are occupied. A sort of "no motorist's land" at all times.

Mineral waters have been produced commercially in Contra Costa county for many years.

Anchovy May Open New State Industry

California's fishing industry may be overlooking a vast resource in not using the anchovy and jack mackerel to their best possibilities.

So members of the Marine Research Committee were told at a recent meeting in San Francisco. Research agencies cooperating with the Committee have operated four vessels off the California coast for nearly two years in the joint quest for biological information.

While the catching of anchovies is limited only by market demand, the jack mackerel resource beyond the continental shelf is an unexplored asset involving a greater expense in catching. These fish range farther from shore and are not regularly found at specific locations. Larger than those closer to shore, the distant mackerel are found deeper and may require different fishing gear from that now in use.

Scientists of Scripps Institution of Oceanography, U. S. Fish and Wildlife Service, California Academy of Sciences, and the Division of Fish and Game also reported that verticle currents in the Pacific may be the most important factor in determining sardine abundance or scarcity.

Vertical ocean currents causing a deep water upheaval bring up chemical nutrients from the depths that provide food for small plants which are the basis of the sardine's food, the scientists found. The long annual migrations of sardines, however, are unaffected by currents of any type.

Sardine spawning — an important factor in the size of future commercial catches — was not large in 1949 and took place mostly in the southern part of the spawning range, it was learned. Most of the present sardine catch is composed of two and three-year old fish.
